Notice (contd.)

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

The following Explanatory Statement sets out the material facts relating to the business under Item No. 03 of the accompanying notice dated 10th August, 2021.

Item No. 03

The Board of Directors based on the recommendation of the Nomination and Remuneration Committee, appointed Mr. Sandipan Chakravortty as an Additional Director in the capacity of independent director of the Company at its meeting held on 10th August, 2021 under the powers conferred by Section 161 of the Companies Act, 2013 read with Articles of Association of the Company and he holds office upto the date of the forthcoming Annual General Meeting (AGM) of the Company.

Mr. Chakravortty, B.Tech and M.Tech. in Industrial Engineering and Operations Research from IIT, Kharagpur, had served as Managing Director of Tata Steel Downstream Products Ltd., one of the largest steel processors and distributors in Asia and possesses wide and varied industry experience at different senior positions in eminent business groups.

The Board of Directors of the Company, at its meeting held on 10th August, 2021, formed an opinion that Mr. Chakravortty is a person of integrity and possesses relevant expertise and experience for being appointed as an independent director of the Company. In the opinion of the Board, Mr. Chakravortty fulfills the conditions specified in the Act and the rules made thereunder and that he is independent of the management. Mr. Chakravortty has also submitted a declaration as required under Section 149(7) of the Act and Regulation 25(8) of the SEBI Listing Regulations, 2015, to the effect that he meets the criteria of independence as specified in Section 149(6) of the Act and as provided in Regulation 16(1)(b) of the said Regulations and that he is not aware of any circumstance or situation, which exists or may be reasonably anticipated, that could impair or impact his ability to discharge his duties with an objective independent judgment and without any external influence.

Accordingly, the Board appointed Mr. Chakravortty as an Additional Director in the capacity of independent director of the Company and issued him formal letter of appointment pursuant to Section 149 read with Schedule IV to the said Act subject to confirmation by the shareholders of the Company. Approval of the members is therefore being sought for the said appointment of Mr. Chakravortty for a period of five consecutive years w.e.f 10th August, 2021 to 9th August, 2026 and he shall not be liable to retire by rotation.

A copy of the letter of appointment of Mr. Chakravortty setting out the terms and conditions of appointment is available for electronic inspection upto the date of AGM and will also be available for inspection during the AGM.

A notice under Section 160 of the Companies Act, 2013 has been received from a member proposing his candidature as director in the capacity of an independent director of the Company at the ensuing AGM.

The Board recommends the Special Resolution set out in Item No. 3 of the accompanying Notice for approval of the Members. This item being special business, is unavoidable in nature. Except Mr. Sandipan Chakravortty, none of the Directors and Key Managerial Personnel (KMP) of the Company and their respective relatives are concerned or interested, financially or otherwise, in the resolution set out at Item No. 3 of the accompanying Notice. Mr. Sandipan Chakravortty is not related to any other Director or KMP of the Company.

Item No. 04

Due to the sudden demise of Shri R.S. Jhavar (DIN: 00023792), independent director on 14th October, 2020, a casual vacancy was created on the Board of the Company.

During his tenure of office, Lt. R.S. Jhavar has made distinct and immense contribution to the deliberations of the meetings of the Board in general and for the growth of the Company in particular. The directors place on record their highest gratitude and appreciation for the guidance given by Lt. R S Jhavar to the Board during his tenure as a director.

The Board at its meeting held on 10th August, 2021, decided not to fill the casual vacancy arising from the death of Sh. R.S. Jhavar, subject to the approval of the members in the ensuing AGM. Accordingly, the Board recommends the ordinary resolution as set out in item no. 4 for approval of the members.

None of the Directors or Key Managerial Personnel (KMP) of the Company and their respective relatives are concerned or interested, financially or otherwise, in the resolution set out at Item No. 4 of the accompanying Notice. Lt. R.S. Jhavar is not related to any other Director or KMP of the Company.

IMPACT OF COVID-19 PANDEMIC ON THE COMPANY'S BUSINESS:

COVID-19 outbreak has presented unprecedented circumstances before the fragile tourism and hospitality industry. The outbreak of the deadly COVID-19 virus and the ensuing lockdown imposed across the country had a cascading effect on the business operations. The highly infectious novel coronavirus continues to thwart the hotel business. The health of the employees and the guests became a priority; stoppage of operations for an uncertain period resulted in a large financial burden on the Company. COVID-19 is an unprecedented challenge. The lockdown gave India time to make a concerted effort to flatten the outbreak curve.

Your Directors have been periodically reviewing with the management, the impact of the COVID-19 on the Company. Nationwide lockdown coupled with travel restrictions announced by the Central and State Governments had adversely impacted the business operations of the Company in first half of the financial year 2020-21 as the operations of the Company were temporarily suspended during that time. However towards the later part of the year, subsequent to the significant opening of the economic activities across the nation, the Company witnessed gradual recovery and the demand picked up as compared to that during the initial period of COVID-19.

The Company has taken all possible and effective measures to limit and keep the impact of COVID-19 under control in order to ensure business continuity with minimal disruption. The Company has undertaken necessary cost saving measures and is exploring initiatives to further uplift revenue.

Board Report (contd.)

The Board and the Management will continue to closely monitor the situation as it evolves and do its best to take all necessary measures, in the interests of all stakeholders of the Company.

TRANSFER TO RESERVES:

During the financial year ended 31st March, 2021, no sum is transferred to General Reserve due to inadequate profit.

DIVIDEND:

The Covid-19 pandemic and the long lockdown declared by the government has created uncertainty and unpredictability for the Company. Therefore, the Board has decided not to recommend any dividend for the financial year ended 2020-21 to conserve resources.

BUSINESS OVERVIEW AND OPERATING PERFORMANCE/ STATE OF COMPANY'S AFFAIRS:

During the financial year ended 2020-21, Hyatt Regency Kolkata (the hotel) has been successful in facing the challenges that 2020 posed and closed the year-end occupancy at 29% compared to city average closure of 25%. The hotel focused on repatriation business, sports, additional crew movement, PSU and sustaining its leading position in weddings in the city while focusing on corporate MICE. The hotel has been largely successful in booking all the relevant wedding dates during the year under review. The hotel has maintained its prices in spite of low market demand and have ended the year at rank 2 in ADR.

The year 2020-21 was a challenging year starting with a lockdown and most major markets witnessing very low demand and travel restrictions. Business recovery was done in 3rd Quarter (Q3) and 4th Quarter (Q4) with strategic focus by tapping different segment for rooms and driving F&B creatively through our delivery business.

During the financial year 2020-21, there were no material changes and commitments affecting financial position of the Company, which have occurred in the period to which the financial statements and the report relate.

Further, there has been no change in the nature of business of the Company since its incorporation.

SUBSIDIARY COMPANIES:

The Company has three subsidiaries, namely, Robust Hotels Private Limited, Chennai, (RHPL) a wholly owned and a material unlisted Indian Subsidiary, GJS Hotels Limited, Kolkata, a wholly owned and unlisted Indian Subsidiary and Regency Convention Centre and Hotels Limited, Kolkata, a wholly owned and an unlisted Indian Subsidiary.

RHPL owns and operates Hyatt Regency Chennai (Chennai Hotel). Revenue of the Chennai Hotel was severely impacted during the financial year ended 2020-21 on account of Covid-19. Comparative performance of Chennai Hotel during the last two financial years is given below:

Details	2020-21	2019-20
	<i>(Rs. in crores)</i>	
Revenue	27.22	95.82
PBDIT and Extra ordinary items	1.09	21.73
Interest on borrowings	16.07	15.75
PBDT and Extra ordinary items	(14.98)	5.98
Depreciation	16.28	23.02
PBT	(31.26)	(17.04)
Taxes	-	-
(PAT (before extra-ordinary items	(31.26)	(17.04)
Ind AS entries	0.16	(0.07)
Extra-ordinary items	(2.29)	(3.77)
PAT after Ind-AS entries	(33.40)	(20.88)

Board Report (contd.)

With reference to GJS Hotels Limited, new terms is being discussed with the Government of Odisha regarding the Company's Bhubaneswar Hotel Project.

Regarding the legal Suit No. 6846 of 1999 filed by Regency Convention Centre and Hotels Limited (Regency), the Company is in regular touch with the Adani Group i.e., new management group of Mumbai International Airport Limited to complete the present transaction.

Pursuant to the provisions of Section 129(3) of the Companies Act, 2013, a statement containing salient features of the financial statements of each of the subsidiaries of the Company in Form AOC-1 is annexed herewith marked as **Annexure-I** to this Report.

Further, pursuant to the provisions of Section 136 of the Act, the financial statements of the Company, consolidated financial statements along with relevant documents and separate audited financial statements in respect of subsidiaries, are available on the website of the Company <http://www.ahleast.com/reports.html>

The Consolidated Financial Statements of the Company are prepared in accordance with Indian Accounting Standards notified under the Companies (Indian Accounting Standards) Rules, 2015 (Ind-AS) and forms an integral part of this report.

The Policy for determining material subsidiaries of the Company has been provided in the following link: <http://www.ahleast.com/policiespdf/Policy%20on%20Material%20Subsidiary.pdf>

STATUS OF THE SCHEME OF ARRANGEMENT:

Regarding the Scheme of Arrangement, Demerger and Reduction of capital with the wholly owned subsidiary Robust Hotels Private Limited, Chennai (Robust) and their respective shareholders and creditors ("the Scheme"), equity shareholders and unsecured creditors of the Company have agreed to the scheme at their respective meetings held on 17th March, 2021. The unsecured creditors of Robust have also agreed to the Scheme at their meeting held on 30th January, 2021. Meetings of equity shareholders and secured creditors of Robust were dispensed with.

Robust has filed the Company Petition with Hon'ble NCLT, Chennai Bench on 11th February, 2021 for sanction of the scheme. The Hon'ble NCLT, Chennai Bench vide its order dated 29th March, 2021 fixed 6th May, 2021 as the date of hearing of the petition for sanction of the Scheme. But due to second wave of Covid-19 pandemic the date of hearing stands adjourned to 9th July, 2021.

The Company has also filed the Company Petition on 13th April, 2021 with Hon'ble NCLT, Kolkata Bench for sanction of the scheme and the same is pending for sanction by the Hon'ble NCLT due to second wave of Covid-19 pandemic.

On sanction and effectiveness of the Scheme, the shareholders of the Company will receive prescribed bonus shares of the Company and new equity shares of Robust. The wholly owned subsidiary Robust will be listed with BSE and NSE and accordingly the shareholders of the Company will be holding the equity shares of two listed hotel companies. In view of this, the shareholding patten of Robust shall mirror the shareholding patten of the Company. The Company expects the effects of the Scheme shall be given in the current financial year 2021-22 provided the corona pandemic situation does not become a hindrance to it.

All stakeholders can see the Scheme documents at the Company's web link <http://www.ahleast.com/index.html>.

During the year under review, no offence of fraud was reported by the Auditors of the Company.

Board Report (contd.)

Statutory Auditor's Qualifications: Please refer to the audit report on standalone financial statements and consolidated financial statements.

Explanation to Auditors' Comment:

The Auditors' Qualification has been appropriately dealt with in Note No. 49 of the standalone audited financial statements and Note No. 50 of the consolidated audited financial statements which are self-explanatory and therefore do not call for any further comments. The Auditors' Report is enclosed with the financial statements in this Annual Report.

Internal Auditor:

Pursuant to Section 138 of the Companies Act, 2013 read with Rule 13 of the Companies (Accounts) Rules, 2014 and other applicable provisions, if any, of the Companies Act, 2013, your Board based on the recommendation of the Audit Committee, appointed M/s. S.S. Kothari Mehta & Co., Chartered Accountants to conduct internal audit for the financial year 2020-21. The said appointment was valid till 31st March, 2021. The Board has reappointed M/s. S.S. Kothari Mehta & Co, Chartered Accountants as the Internal Auditors of your Company for the financial year 2021-22.

Secretarial Auditor:

Pursuant to the provisions of Section 204 of the Companies Act, 2013, your Board had appointed M/s. Abhijit Majumdar & Associates, Practicing Company Secretary (COP No. 18995), to undertake Secretarial Audit of your Company for the financial year 2020-2021.

Further, pursuant to Regulation 24A of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended, (SEBI Listing Regulations, 2015) Secretarial Audit Report of the Company along with the Secretarial Audit Report of its material unlisted subsidiary, Robust Hotels Private Limited, Chennai is annexed to this Board Report, collectively as **Annexure II**.

Qualification in secretarial audit report and explanations by the board:

Sl. No.	Qualification made by Secretarial Auditor	Explanation made by the Board
a.	The Board of Directors has not met four times in the financial year ended 31.03.2021	The Company has availed the relaxation provided in the MCA General Circular No. 11/2020 dated 24 th March, 2020 which provided that the gap between two consecutive meetings of the Board or committee may extend to 180 days, instead of 120 days as required in the Companies Act, 2013, till next two quarters i.e. till 30 th September, 2020 and has successfully covered the entire agenda items of the four quarters in three Board/Audit Committee Meetings.
b.	The Audit Committee has not met four times in the financial year ended 31.03.2021

MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY STRUCTURE, DEVELOPMENT, OPPORTUNITIES AND OUTLOOK

The second wave of the Covid-19 pandemic has devastated the hospitality industry which had just started recovering at the end of the financial year 2020-21. The pandemic has brought hospitality industry in India to a total standstill and induced severe financial stress.

Financial year 2020-21 started with strict lockdown in the country which led to single digit occupancies in quarter one (Q1) in Hyatt Regency Kolkata Hotel (the hotel). During this time, Kolkata city focused on quarantine and repatriation business. The hotel saw marginal growth in quarter two (Q2) as many of the feeder market had travel restrictions. From March to around September, 2020, business of the hotel came to near standstill. Sight of recovery was seen in quarter three (Q3) with winters coming when sports league and wedding were driving the city occupancy with growth in F&B business which continued in quarter four (Q4) with the trend of dining out. Occupancy rate of Kolkata city was closed at 25.7% during the financial year ended 2020-21.

In order to survive in this pandemic time, supply chain contracts of the hotel were renegotiated. To continue the business activity, many creative ways including food delivery channel were adopted by the hotel to serve customers in the given circumstances.

Quarter four (Q4) of the financial year ended 2020-21 was seen as a recover quarter when Kolkata market saw 56% occupancy above national average of 46% and the city ranked 4th in occupancy at national level owing to sports and wedding businesses.

During the pandemic time, digital and contactless services have gained new momentum. Traditionally customer-facing services are being given an overhaul with the widespread use of technology-assisted like mobile check-in, contactless payments, voice control and biometrics.

The city of Kolkata has witnessed a month-on-month growth in domestic air passenger traffic since June, 2020. This trend is expected to continue in financial year ending 2021-22. Your Board is hopeful that the industry will be in recovery mode in the latter part of the financial year ending 2021-22.

RISKS, CONCERNS AND THREATS

Along with the existing business and economy risks that your Company faces being in the hospitality industry, Covid-19 has thrown some new and unexpected challenges to the hotels. The pandemic has made the hotels demand to an all-time low and has left the industry wondering what to do and how to react to it. Hyatt Regency Hotel was already facing challenges from the new hotels opened in its vicinity. Now the pandemic has made the situation worse. The impact of the Covid-19, including the risk and challenges that the hotels are likely to face in future, has been evaluated and necessary steps have been taken to minimize the impact including adopting new policies, concepts, rebooting services, giving priority to health and hygiene, new cost structures organizing vaccination camp for its employees and their families. All are being done to ensure that the guests and the customers have a safe, healthy, enjoyable stay and the best food.

SEGMENTWISE, FINANCIAL AND OPERATIONAL PERFORMANCE

The Company is engaged in two lines of business through separate divisions namely Hotel Division and Investment division which in-turn consists of the "Securities Trading Unit" (comprising of treasury/liquid investments which is being regularly traded and bonds, mutual funds, and shares of certain companies, which already are under an agreement of

Board Report (contd.)

sale, part performance completed) and the “Strategic Investments Unit” (comprising inter alia of investment in and loans given to Robust Hotels Private Limited and GJS Hotels Limited). For details please refer note no. 39 of the notes to the standalone audited financial statements and note no. 41 of the notes to the consolidated audited financial statements.

EFFICIENT INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

Your Company has in place an adequate system of internal controls, with documented procedures covering all corporate functions and hotel operating units. Systems of internal controls are designed to provide reasonable assurance regarding the effectiveness and efficiency of operations, the adequacy of safeguards for assets, the reliability of financial controls, and compliance with applicable laws and regulations. Adequate internal control measures are in the form of various policies and procedures issued by the Management covering all critical and important activities viz. Revenue Management, Hotel Operations, Purchase, Finance, Human Resources, Safety, etc. These policies and procedures are updated from time to time and compliance is monitored by Internal Audit.

The effectiveness of internal controls is reviewed through the internal audit process, which is undertaken for every operational unit and all major corporate functions under the direction of the Operations department. The Audit Committee of the Board oversees the adequacy of the internal control environment through regular reviews of the audit findings and monitoring implementations of internal audit recommendations through the compliance reports submitted to them. The Statutory Auditors of your Company have opined in their report that your Company has adequate internal controls over financial reporting.

DEVELOPMENT IN HUMAN RESOURCES AND INDUSTRIAL RELATIONS

The Company continues to maintain a very cordial and healthy relationship with its workforce across all its units. The number of people employed on-roll by the hotel as on 31st March, 2021 was 192. Advancing Care as an objective of the company was reflected in the ‘Hyatt Care Fund’ which entitled employees for 500\$ grant during pandemic. The grant was sponsored by Hyatt Global Offices. Hyatt Regency Kolkata sailed through the difficult times by ensuring safety and wellbeing of all its employees. Further, the Company continuously reviews and re-aligns its people practices and policies with an aim to provide its employees with the best working environment. As part of the Corporate Learning and Development initiatives, several programs were organized in the Financial Year 2020-21 with focus on Wellbeing.

We at Hyatt Regency Kolkata are striving towards attracting, retaining, training, multi-skilling employees and working towards the welfare of our resources. In the meantime, all efforts are being made to control cost so as to maintain present level of profitability. Industrial relations remained stable throughout the financial year 2020-21.

REPORT ON CORPORATE GOVERNANCE

COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

Your Company believes that good corporate governance is a way of life which is enshrined in the way we do our business. Our actions are governed by our values and principles, which are reinforced at all levels of the organization.

The Company's philosophy on Corporate Governance envisages the attainment of the highest levels of transparency, accountability and equity, in all facets of its operation, and all its interactions with the stakeholders including shareholders, employees, customers, government and suppliers. Systems have been put into place to ensure effective strategic planning, optimum risk management, financial plans, budgets, integrity controls, reporting, communication policy with emphasis on transparency and full disclosure on the various facts of the Company's operations, its functioning, financial and total compliance with all statutory/regulatory requirements not only in the letter of the law but also in its spirit.

The Company has complied with mandatory requirements of the corporate governance provisions as specified in the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 (Listing Regulations).

A report on the compliances of Corporate Governance requirements under the Listing Regulations and the practices/procedures followed by your Company for the year ended 31st March, 2021 is detailed below:

BOARD OF DIRECTORS:

The Company' Board of Directors have always acted as an asset to the organization. The Directors possess experience in diverse fields including accounts, real estate, marketing, consumer industry and hoteliering to social service. The Board also provides direction and exercises appropriate control to ensure that the Company is managed in a manner that fulfills stakeholder's aspirations and societal expectations.

Composition and category of the Directors:

Your Company has a balanced board with optimum combination of Executive and Non-Executive Directors, including Independent Directors, which plays a crucial role in Board processes and provides independent judgment on issues of strategy and performance.

As on 31st March 2021, Company Board of Directors comprises of six (6) Directors which includes one (1) Non-Executive Chairman, two (2) Joint Managing Directors and three (3) Non-Executive Independent Directors including one (1) Non-Executive Woman Independent Director. The Board's composition is in compliance with the provisions of the Companies Act, 2013 and Regulation 17 of the Listing Regulations.

None of the Directors on the Board is a Director in more than 7 listed entities and none of the Directors on Board serves as an Independent Director in more than 7 listed entities as required under regulation 17A of the Listing Regulations. Further, the Joint Managing Directors does not serve as an Independent Director in any listed entity.

None of the directors hold directorships in more than 20 Indian Companies including 10 public limited companies. Further, none of them serve as a member of more than 10 committees or chairman of more than 5 committees as specified in Regulation 26 of the Listing Regulations across all public companies in which they are Directors. "Committees" for this purpose includes the Audit Committee and the Stakeholders Relationship Committee as per the Listing Regulations. Necessary disclosures regarding Committee positions in other public companies as on 31st March, 2021 have been made by the Directors as per Regulation 26 of the Listing Regulations.

Independent directors are Non-Executive directors as defined under Regulation 16(1)(b) of the Listing Regulations. The maximum tenure of the independent Directors is in compliance with the Companies Act, 2013. In terms of section 149(6) of the Companies Act, 2013 and Regulation 25(8) of the Listing Regulations, all the Independent Directors have

Board Report (contd.)

confirmed that they meet the criteria as mentioned under Regulation 16(1)(b) of the Listing Regulations and that they are not aware of any circumstances or situation which exists or may be reasonably anticipated that could impair or impact their ability to discharge their duties.

The declarations received from the Independent Directors on the above lines have been taken on record and the Board of Directors confirms that the Independent directors meet the criteria of independence as per the Listing Regulations and the Companies Act, 2013 and that they are independent of the management. The present strength of the Board reflects judicious mix of professionalism, competence and sound knowledge, which enables the Board to provide effective leadership to the Company.

The Company has issued formal letters of appointment to Independent Directors in the manner as provided in the Companies Act, 2013 ("the Act"). The terms and conditions of appointment are disclosed on the website of the Company.

The Independent Directors have included their names in the data bank of Independent Directors maintained with the Indian Institute of Corporate Affairs in terms of Section 150 of the Act read with Rule 6 of the Companies (Appointment & Qualification of Directors) Rules, 2014.

The Directors are paid sitting fees within the limits prescribed under the Companies Act, 2013. The Company is in conformity with Regulations 25 and 26(1)(2) of the Listing Regulations.

Board Meetings and Procedure:

The Board normally meets four times a year and as and when required. The time gap between two Board Meetings has not exceeded the limit of 120 days as specified under Regulations 17 of the Listing Regulations and Section 173 of the Companies Act, 2013 except the first Board meeting in the financial year 2020-2021 where the time gap between the two consecutive meeting exceeded 120 days due to the ongoing Covid-19 pandemic and the same was relaxed by MCA vide its General Circular No. 11 /2020 dated 24th March, 2020 which provided that the gap between two consecutive meetings of the Board may extend to 180 days, instead of 120 days as required in the Companies Act, 2013, till next two quarters i.e. till 30th September, 2020.

During the financial year 2020-21, the Board of Directors had three (3) meetings. These meeting were held on 31st July, 2020, 10th November, 2020 and 10th February 2021 respectively. The necessary quorum was present in all the meetings. The attendance of the Directors at the Board meeting is given below in this section. Due to the exceptional circumstances caused by COVID-19 pandemic and consequent relaxations granted by the MCA and SEBI, all Board Meetings in the financial year 2020-21 were held through Video Conferencing.

All the meetings are conducted as per well designed and structured agenda. All the agenda items are backed by necessary notes setting out the details of the proposal, relevant material facts, supporting information and documents to enable the Board to take informed decisions. Agenda also includes draft resolutions and minutes of the previous meetings of all the Board, Committees and Subsidiary Companies for consideration, approval and information of the Board. Any item not included in the agenda is taken up for consideration as per the provisions of the Secretarial Standard on Meetings of Board of Directors (SS-1). Agenda papers are circulated seven days prior to the Board Meeting.

All statutory and other significant and material information as mentioned in Regulation 17(7) read with Part A of Schedule II of the Listing Regulations are placed before the Board to enable it to discharge its responsibility of strategic supervision of the Company as trustees of the shareholders. The Board also reviews periodically the compliance of all applicable laws. The members of the Board have complete freedom to express their opinion and the decisions are taken after detailed discussion.

Pursuant to the Corporate Governance provisions as specified in the Listing Regulations the composition and categories of directors of the Board, details of Directorships held, Committee Membership/Chairmanship held as on 31st March, 2021 and attendance of the Director at the Board Meetings held during the year and previous Annual General Meeting (AGM) are as follows:

Independent Auditor's Report

To the Board of Directors of Asian Hotels (East) Limited

Report on the Audit of Standalone Financial Results

Qualified Opinion

1. We have audited the accompanying standalone annual financial results of Asian Hotels (East) Limited ("the Company") for the year ended 31st March 2021 and the standalone statement of assets and liabilities along with the cash flows as at and for the year ended 31st March 2021, attached herewith, being submitted by the Company pursuant to the requirement of regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulation").
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements
 - a. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
 - b. except for the possible effect of the matter described in 'Basis for Qualified Opinion' paragraph below gives a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards (Ind AS) and other accounting principles generally accepted in India of the net profit and other comprehensive income and other financial information for the year ended 31st March 2021.

Basis for Qualified Opinion

3. Attention is drawn to the following of the accompanying the standalone financial results:

The Company has investment in Robust Hotels Private Limited (RHPL) (subsidiary) amounting Rs 56,736 lakhs and loan receivable of Rs 4,230 lakhs as on March 31, 2021. The financial performance of the subsidiary company and adverse impact of the pandemic Covid-19 on the operation of the subsidiary indicate a need for impairment testing of investment and loan receivable in the subsidiary. However, management has not carried out any impairment testing as required under IND AS 36 (Impairment of Assets) of the above investment and loans for reasons explained in Note No 4. The management is confident that the recoverable amount of the investment and loan receivable in RHPL will not be less than the amount at which they have been stated in the balance sheet.

Impact of the above matter on the financial statement is not ascertainable and as such cannot be commented upon.

4. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Annual Standalone Financial Results" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our ethical responsibilities in accordance with the requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the standalone annual financial results.

Emphasis of Matter

5. We draw attention to Note No.5 to the standalone financial results which describes the impact of COVID-19, a global pandemic, on the operations and financial matters of the company.

Our opinion is not modified in respect of this matter

Independent Auditor's Report (contd.)

Management's and Board of Directors' Responsibilities of the Annual Standalone Financial Results

6. These standalone annual results have been prepared on the basis of the annual standalone financial statements. The Company's Management and the Board of Directors are responsible for the preparation and presentation of the financial results and information that gives a true and fair view of the net profit and other comprehensive income of the Company and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued there under and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.
7. In preparing the annual financial results, the Management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
8. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Annual Standalone Financial Results

9. Our objectives are to obtain reasonable assurance about whether the annual financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the statement.
10. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - a. Identify and assess the risks of material misstatement of the financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - b. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of standalone financial statements whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
 - c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
 - d. Conclude on the appropriateness of the Management and Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our

Independent Auditor's Report

conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- e. Evaluate the overall presentation, structure and content of the financial results, including the disclosures, and whether the financial results represents the underlying transactions and events in a manner that achieves fair presentation.
11. Materiality is the magnitude of misstatements in the financial results that individually or in aggregate, make it probable that the economic decisions of a reasonably knowledgeable user of the financial results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial results.
12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

14. The standalone annual financial results include the results for the quarter ended 31 March 2021 being the balancing figure between the audited figures in respect of the full financial year and the published unaudited year to date figures up to the third quarter of the current financial year which were only reviewed and not subjected to audit by us.
15. The standalone annual financial results dealt with in this report has been prepared for the express purpose of filing with stock exchanges. These results are based on and should be read with the standalone financial statements of the Company for the year ended March 31, 2021 on which we issue a modified audit opinion vide our report dated June 23, 2021.

NOTES TO THE FINANCIAL STATEMENTS

as at and for the period ended March 31, 2021

1. Company Overview and Significant Accounting Policies

1.1 Company overview

Asian Hotels (East) Limited is a Public Limited Company listed with Bombay Stock Exchange and National Stock Exchange and is primarily engaged in the Hotel business through “Hyatt Regency Kolkata” a five-star Hotel situated in the city of Kolkata.

1.2 Basis of preparation of financial statement

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, and the provisions of the Companies Act, 2013 ('Act') (to the extent notified). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The financial statements are approved for issue by the Company's Board of Directors on June 23, 2021.

The Ministry of Corporate Affairs (MCA) has issued certain amendments in existing Accounting Standards which are effective from July 24, 2020.

1.3 Functional & Presentation Currency

These Financial statements are presented in Indian Rupees (INR) which is also the company's functional currency.

1.4 Use of estimates

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

1.5 Significant Accounting Policies

a. Property Plant & Equipment:

Property, Plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in profit or loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Intangible assets are stated at cost less accumulated amortisation and net of impairments, if any. An intangible asset is recognised if it is probable that the expected future economic benefits that are attributable to the asset will flow to the company and its cost can be measured reliably. Intangible assets are amortised on straight line basis over their estimated useful lives.

NOTES TO THE FINANCIAL STATEMENTS

as at and for the period ended March 31, 2021

Depreciation on fixed assets is calculated on a straight-line basis using the rates based on the useful lives of the assets as prescribed in Schedule II to the Companies Act, 2013. If the asset is purchased on or before the 15th of month depreciation is charged from the month of purchase, otherwise depreciation is charged from the month following the month of purchase.

b. Investments in Subsidiaries

Subsidiaries are entities controlled by the Company. The Company controls an entity when it is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. The Company's investment in the equity shares of its subsidiaries are recognised at cost. The company has elected to apply previous GAAP carrying amount of its equity investment in subsidiaries as deemed cost as on the date of transition to Ind AS. However, the debt instruments in subsidiaries are recognized at fair value.

c. Inventories

Inventories are measured at lower of cost and net realizable value. Net realizable value is the estimated selling price in the ordinary course of business, less the estimated cost of completion & selling expenses.

d. Trade Receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

e. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financials Asset

Initial recognition and measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three categories:

- (i) Financial Asset at amortized cost
- (ii) Financial Asset At Fair Value through other comprehensive income (OCI)
- (iii) Financial Asset at Fair value through profit and loss (PL)

Financial Asset at amortized cost

A 'Financial Asset' is measured at the amortized cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the statement of profit or loss.

NOTES TO THE FINANCIAL STATEMENTS

as at and for the period ended March 31, 2021

Financial Asset at Fair value through OCI

A 'Financial Asset' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI. Financial Asset included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI).

Financial Asset at fair value through profit or loss

FVTPL is a residual category for Financial Assets. Any financial asset, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the company may elect to designate a Financial asset, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

Equity Instruments

All equity investments in scope of Ind AS 109 are measured at fair value. For equity instruments, the company may make an irrevocable election to present subsequent changes in the fair value in other comprehensive income. The Company makes such election on an instrument by-instrument basis. The classification is made on initial recognition and is irrevocable if the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI.

Derecognition of Financial asset

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized when:

- The rights to receive cash flows from the asset have expired, or
 - The company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either
- (a) the Company has transferred substantially all the risks and rewards of the asset, or
 - (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure.

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance.
- b) Financial assets that are debt instruments and are measured as at FVTOCI.
- c) Lease receivables under Ind AS 17.
- d) Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 11 and Ind AS 18 (referred to as 'contractual revenue receivables')
- e) Loan commitments which are not measured as at FVTPL
- f) Financial guarantee contracts which are not measured as at FVTPL

NOTES TO THE FINANCIAL STATEMENTS

as at and for the period ended March 31, 2021

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument.

Financial Liabilities

Initial recognition and measurement

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. For financial liabilities maturing within one year from the balance sheet date, the carrying amount approximate fair value due to the short maturity of these instruments.

Subsequent Measurement

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognized in the profit or loss. "

Financial Liabilities at amortized cost

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

f. Cash and Cash Equivalents

Cash and Cash Equivalent in balance sheet comprise cash at banks and on hand, unpaid dividend, fixed deposits and short - term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

g. Trade Payables & Other Payables

These amounts represent liabilities for goods and services provided to the company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

h. Provisions, Contingent liabilities

Provisions are recognized when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the statement of profit and loss. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

A contingent liability is disclosed in case of-

NOTES TO THE FINANCIAL STATEMENTS

as at and for the period ended March 31, 2021

- a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation;
- a present obligation arising from past events, when no reliable estimate is possible ;
- a possible obligation arising from past events, unless the probability of outflow of resources is remote.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date.

i. Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Revenue from contract with customer

Ind AS 115 was issued on 28 March 2018 and supersedes Ind AS 11 Construction Contracts and Ind AS 18 Revenue and it applies, with limited exceptions, to all revenue arising from contracts with its customers. Ind AS 115 establishes a five-step model to account for revenue arising from contracts with customers and requires that revenue be recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer.

Ind AS 115 requires entities to exercise judgement, taking into consideration all of the relevant facts and circumstances when applying each step of the model to contracts with their customers. The Company adopted Ind AS 115 using the modified retrospective method of adoption with the date of initial application of 1 April 2018. Under this method, the standard can be applied either to all contracts at the date of initial application or only to contracts that are not completed at this date. The Company elected to apply the standard to all contracts as at 1 April 2018. However, the application of Ind AS 115 does not have any significant impact on the recognition and measurement of revenue and related items.

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The Company has generally concluded that it is the principal in its revenue arrangements, because it typically controls the goods or services before transferring them to the customer.

Sale of Goods:

Revenue from sale of goods is recognised at the point in time when control of the goods is transferred to the customer. The normal credit term is 30 days upon delivery. The revenue is measured on the basis of the consideration defined in the contract with a customer, including variable consideration, such as discounts, volume rebates, or other contractual reductions. As the period between the date on which the Company transfers the promised goods to the customer and the date on which the customer pays for these goods is generally one year or less, no financing components are taken into account.

The Company considers whether there are other promises in the contract that are separate performance obligations to which a portion of the transaction price needs to be allocated.

Sale of Services:

The Company has applied the guidance in Ind AS 115, Revenue from contract with customer, by applying the revenue recognition criteria for each distinct performance obligation. The arrangements with customers generally meet the criteria for considering room booking and related services as distinct performance obligations. For allocating the transaction price, the Company has measured the revenue

NOTES TO THE FINANCIAL STATEMENTS

as at and for the period ended March 31, 2021

in respect of each performance obligation of a contract at its relative standalone selling price. The price that is regularly charged for an item when sold separately is the best evidence of its standalone selling price.

j. Other Income

Other income is comprised primarily of interest income, dividend income, gain on sale of investments and exchange gain/loss on translation of assets and liabilities. For all debt instruments measured either at amortised cost or at fair value through other comprehensive income, interest income is recognised using the effective interest rate (EIR). Dividend income is recognised when right to receive payment is established.

k. Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

l. Income taxes

Income tax expense comprises current and deferred income tax. Income tax expense is recognized in net profit in the statement of profit and loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income. Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. The company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Minimum Alternate Tax ('MAT') credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income-tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised as an asset, the said asset is created by way of a credit to the statement of profit and loss. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal income-tax during the specified period.

m. Earnings per share

Basic Earnings per share are calculated by dividing the net profit or loss for the period attributable to the equity shareholders by the weighted average number of equity shares outstanding during the

NOTES TO THE FINANCIAL STATEMENTS

as at and for the period ended March 31, 2021

period. Partly paid equity shares are treated as fraction of equity shares to the extent that they are entitled to participate in dividends relative to a fully paid equity shares during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a right issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earning per share, the net profit or loss for the period attributable to Equity Shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

n. Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement. For arrangements entered into prior to 1 April 2014, the Company has determined whether the arrangement contain lease on the basis of facts and circumstances existing on the date of transition. Company as a lessee A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease. Finance leases are capitalised at the commencement of the lease at the inception date fair value of the leased property or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in finance costs in the statement of profit and loss, unless they are directly attributable to qualifying assets, in which case they are capitalized in accordance with the Company's general policy on the borrowing cost. A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term. Operating lease payments are recognised as an expense in the statement of profit and loss on a straight-line basis over the lease term.

o. Fair Value Measurement

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

p. Employee benefits

Provident Fund: Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. Gratuity & Leave Encashment (Unfunded): Provision for gratuity and leave encashment are based on actuarial valuation as on the date of the Balance Sheet. The valuation is done by an independent actuary using the projected unit credit method. Remeasurements, comprising of actuarial gains and

NOTES TO THE FINANCIAL STATEMENTS

as at and for the period ended March 31, 2021

losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

All employee benefits payable wholly within twelve months rendering services are classified as short term employee benefits. Benefits such as salaries, wages, short-term compensated absences, performance incentives etc., and the expected cost of bonus, ex-gratia are recognised during the period in which the employee renders related service.

q. Foreign Currencies

Transactions and balances Transactions in foreign currencies are initially recorded by the Company at their functional currency spot rates at the date the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in profit or loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively).

r. Dividend

Final dividend on shares are recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors.

s. Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The board of directors of Asian Hotels (East) Limited generally assesses the financial performance and position of the company, and makes strategic decisions.

t. Impairment of non-current assets

Ind AS 36 requires that the Company assesses conditions that could cause an asset or a Cash Generating Unit (CGU) to become impaired and to test recoverability of potentially impaired assets. These conditions include internal and external factors such as the Company's market capitalization, significant changes in the Company's planned use of the assets or a significant adverse change in the expected prices, sales volumes or raw material cost. The identification of CGUs involves judgment, including assessment of where active markets exist, and the level of interdependency of cash inflows. CGU is usually the individual plant, unless the asset or asset group is an integral part of a value chain where no independent prices for the intermediate products exist, a group of plants is combined and managed to serve a common market, or where circumstances otherwise indicate significant interdependencies. In accordance with Ind AS 36, goodwill and certain intangible assets are reviewed at least annually for impairment. If a loss in value is indicated, the recoverable amount is estimated as the higher of the CGU's fair value less cost to sell, or its value in use. Directly observable market prices rarely exist for the Company's assets, however, fair value may be estimated based on recent transactions on comparable assets, internal models used by the Company for transactions involving the same type of assets or other relevant information. Calculation of value in use is a discounted cash flow calculation based on continued use of the

NOTES TO THE FINANCIAL STATEMENTS

as at and for the period ended March 31, 2021

assets in its present condition, excluding potential exploitation of improvement or expansion potential. Determination of the recoverable amount involves management estimates on highly uncertain matters, such as commodity prices and their impact on markets and prices for upgraded products, development in demand, inflation, operating expenses and tax and legal systems. The Company uses internal business plans, quoted market prices and the Company's best estimate of commodity prices, currency rates, discount rates and other relevant information. A detailed forecast is developed over the period of three years with projections thereafter. The Company does not include a general growth factor to volumes or cash flows for the purpose of impairment tests, however, cash flows are generally increased by expected inflation and market recovery towards previously observed volumes.

u. New Standards / Amendments to Existing Standard issued but not yet effective upto the date of issuance of the Company's Financial Statement are disclosed below:

On March 24, 2021, the Ministry of Corporate Affairs ("MCA") through notification amended Schedule III of the Companies Act, 2013. The amendments revise Division I, II and III of Schedule III and are applicable from April 1, 2021. Key amendments relating to Division II which relate to companies whose financial statements are required to comply with Companies (Indian Accounting Standards) Rules 2015 are:

Rounding Off: For the purpose of rounding off the figures appearing in the Financial Statements for financial year ending 31.03.2022 the total income of the Company shall be considered instead of Turnover.

1.6 Estimation uncertainty relating to the global health pandemic on COVID-19:

On March 11, 2020, the World Health Organisation declared COVID-19 outbreak as a pandemic. Responding to the potentially serious threat that this pandemic has to public health, the Indian Government has taken a series of measures to contain the outbreak, which included imposing multiple 'lockdowns' across the country, from March 22, 2020, and extended up to June 30, 2020 and again from May 15, 2021 which is currently still ongoing. The lockdowns and restrictions imposed on various activities due to COVID – 19 pandemic have posed challenges to all the businesses of Asian Hotels (East) Limited (the "Company"/ "AHEL") and its Subsidiaries. Lockdown guidelines issued by Central/State governments mandated closure of hotel operations and cessation of air traffic and other forms of public transport. This has resulted in low occupancies / shutdowns of our hotels pan India. Business operations in the various international markets where the Company operates have also been impacted to varying extent based on the spread of the pandemic and the restrictions on business activities placed by the respective foreign Governments. Most of the hotels of the Company were shut down entirely during the lockdown phase as the Company was not part of Government denominated essential services. With the lifting of the partial lockdown restrictions, the Company has started re-opening a few hotels in the non-containment zones, after establishing thorough and well-rehearsed safety protocols. The Company expects all the hotels to become operational in a phased manner after the lockdown is lifted and the confidence of travelers is restored. The Company expects the demand for its services to pick up albeit at a slower pace once lockdown is lifted and recovery in business to be driven by domestic leisure tourism, staycations, domestic business travel and limited international travel. The Company has assessed the potential impact of COVID-19 on its capital and financial resources, profitability, liquidity position, ability to service debt and other financing arrangements, supply chain and demand for its services. Various steps have been initiated to raise finances from banks and institutions for working capital needs and long term fund requirements and the Company is in a comfortable liquidity position to meet its commitments. The Company has judiciously invoked the Force Majeure clauses for reliefs during the lock down period and does not foresee any disruption in raw material supplies. The Company has also assessed the potential impact of COVID-19 on the carrying value of property, plant & equipment, right-of-use assets, intangible assets, investments, trade receivables, inventories, and other current assets appearing in the financial statements of the Company. In developing the assumptions and estimates relating to the future uncertainties in the economic conditions because of this pandemic, the Company as at the date of approval of these Financial statements has used internal and external sources of information and based on current estimates, expects to recover the carrying amounts of these assets. The impact of the global health pandemic may be different from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes to future economic conditions.

2. Key Accounting Estimates & Judgements

The preparation of the Company's financial statements requires the management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates

NOTES TO THE FINANCIAL STATEMENTS

as at and for the period ended March 31, 2021

could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The key assumptions concerning the future and other key sources of estimate uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below:

a. Income taxes

Deferred tax assets are recognized for unused tax losses/MAT carry forward to the extent it is possible that taxable profit will be available against which the losses can be utilized. Significant management judgement is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies including amount expected to be paid / recovered for uncertain tax positions.

b. Property, Plant and Equipment and Useful Life of PPE and Intangible Assets

Property, Plant and Equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual value of Company's assets are determined by the management at the time the asset is acquired and reviewed periodically, including at each financial year end. The life based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technical or commercial obsolescence arising from changes or improvements in production or from a change in market demand of the products or service output of the asset.

c. Defined Benefit Plans

Post-employment benefits represents obligation that will be settled in future and require assumptions to project benefit obligations. Post-employment benefit accounting is intended to reflect the recognition of future benefit cost over the employee's approximate service period, based on the terms of plans and the investment and funding decisions made. The accounting require the Company to make assumptions regarding variables such as discount rate, rate of as at and for the year ended March 31, 2020.

d. Fair value measurement of Financial Instruments

When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques, including the discounted cash flow model, which involve various judgements and assumptions.

e. Provisions and Contingencies

Legal proceedings covering a range of matters are pending against the Company. Due to the uncertainty inherent in such matters, it is often difficult to predict the final outcomes. The cases and claims against the Company often raise difficult and complex factual and legal issues that are subject to many uncertainties and complexities, including but not limited to the facts and circumstances of each particular case and claim, the jurisdiction and the differences in applicable law, in the normal course of business. The Company consults with legal counsel and certain other experts on matters related to litigations. The Company accrues a liability when it is determined that an adverse outcome is probable and the amount of the loss can be reasonably estimated. In the event an adverse outcome is possible or an estimate is not determinable, the matter is disclosed.

Fair value hierarchy

This section explains the estimates and judgements made in determining the fair values of Financial Instruments that are measured at fair value and amortised cost and for which fair values are disclosed in financial statements. To provide an indication about reliability of the inputs used in determining the fair values, the company has classified its financial instruments into the three levels prescribed under accounting standards. An explanation of each level follows underneath the table:

Level 1 : includes financial Instrument measured using quoted prices (unadjusted) in active markets for identical assets and liabilities that the entity can access at the measurement date.\

Level 2 : Includes financial Instruments which are not traded in active market but for which all significant inputs required to fair value the instrument are observable. The fair value is calculated using the valuation technique which maximises the use of observable market data.

Level 3: Includes those instruments for which one or more significant input are not based on observable market data.

The following table presents fair value hierarchy of assets and liabilities measured at fair value as of March 31, 2021:

The Company's investment in the equity shares of its subsidiaries is recognised at cost.

31. FINANCIAL RISK MANAGEMENT

Financial risk factors

The Company's activities expose it to a variety of financial risks : market risk, liquidity risk and credit risk.

Market risk

Market risk is the risk that the changes in market prices such as foreign exchange rates and equity prices will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

a. Foreign Currency risk

The Company is exposed to foreign exchange risk through its purchases from overseas suppliers and payment for services availed in various foreign currencies. The Company pays off its foreign exchange exposure within a short period of time, thereby mitigates the risk of material changes in exchange rate on foreign currency exposure.

The following table analyses foreign currency risk from financial instruments as of 31st March 2021 and 31st March 2020.

NOTES TO THE FINANCIAL STATEMENTS

as at and for the period ended March 31, 2021

	31st March 2021	31st March 2020
Particulars	Amount in ₹	Amount in ₹
Trade payables (USD converted to INR)	1,97,00,399	1,58,05,778

For the year ended 31st March 2021 and 31st March 2020, the effect of every percentage point depreciation/appreciation in the exchange rate between the Indian rupee and U.S.dollar, is as under:

	Change in USD Rate	Effect on Profit before Tax	
		31st March 2021	31st March 2020
Appreciation in Exchange Rate	1%	(1,97,004)	(1,58,058)
Depreciation in Exchange Rate	-1%	1,97,004	1,58,058

b) Other Market Price Risks

The Company's exposure to equity securities price risk arises from investments held by the Company and classified in the balance sheet as fair value through Other Comprehensive Income and Fair value through profit/loss. If the equity prices of quoted investments are 1% higher/ lower, the Other Comprehensive Income for the year ended March 31, 2021 would increase/ decrease by Rs 11,81,559 (for the year ended March 31, 2020: increase/ decrease by Rs 14,94,648 and profit or loss for the year ended March 31, 2021 would increase/ decrease by Rs 82,54,777 (for the year ended March 31, 2020: increase/ decrease by Rs 76,17,830)

Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting its obligations associated with its financial liabilities.

The Company's principle source of liquidity are cash and cash equivalent, cash flows from operations and investment in mutual funds. The Company has no outstanding bank borrowings as on 31st March 2021. The Company believes that working capital is sufficient to meet its current requirements. Accordingly, no liquidity risk is perceived.

The table below provides details regarding the contractual maturities of financial liabilities as of March 31, 2021:

Particulars	0-3 Months	3 Months- 1 yr	1-5 years	5-20 years	Total
Trade payables	3,96,92,762	-	-	-	3,96,92,762

Other Financial Liabilities	21176173.55	2,97,47,862	-	-	5,09,24,036

Credit Risk

Credit risk is the risk that counter party will not meet its obligation under a financial instrument leading to a financial loss. The company is exposed to credit risk from investments, trade receivables, cash and cash equivalents, loans and other financial assets.

The Company's credit risk is minimised as the Company's financial assets are carefully allocated to counter parties reflecting the credit worthiness.

NOTES TO THE FINANCIAL STATEMENTS

as at and for the period ended March 31, 2021

The maximum exposure of financial asset to credit risk are as follows :

Amount in ₹

Particulars	31st March 2021	31st March 2021

Risk towards Global Pandemic COVID-19

Financial instruments carried at fair value as at March 31, 2021 is Rs 1,64,40,53,211 and financial instruments carried at amortised cost as at March 31, 2021 is Rs 70,04,19,635. A significant part of the financial assets are classified as Level 1 having fair value of Rs 76,27,26,826 as at March 31, 2021. The fair value of these assets is marked to an active market which factors the uncertainties arising out of COVID-19. The financial assets carried at fair value by the Company are mainly investments in equity shares of listed entities wherein the uncertainties arising out of COVID-19 has already been factored by the stock market as at March 31, 2020 and liquid debt securities wherein no material volatility is expected.

Trade receivables of Rs 1,72,01,135 as at March 31, 2021 forms a significant part of the financial assets carried at amortised cost. The Debtors do not have any concentrated risk and the Company does expect to recover these outstanding in due course. Further, adequate credit loss provision has been created based on the policy of the Company. The Company has specifically evaluated the potential impact with respect to customers in Airline and Travel Agents segments which could have an immediate impact though the outstanding is not significant. Further, we expect that there could be some delay in payments from debtors, over and above the credit cycle. Basis our internal assessment and the stringent provisioning policy of the Company, the management assessment for the allowance for doubtful trade receivables of Rs 34,00,090 as at March 31, 2021 is considered adequate.

32. CAPITAL MANAGEMENT

For the purpose of managing capital, Capital includes issued equity share capital and reserves attributable to the equity holders.

The objective of the company's capital management are to:

- Safeguard their ability to continue as going concern so that they can continue to provide benefits to their shareholders.
- Maximisation the wealth of the shareholder.
- Maintain optimum capital structure to reduce the cost of the capital.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and requirement of financial covenants. In order to maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company includes within net debt, loans and borrowings, less cash and cash equivalents.

NOTES TO THE FINANCIAL STATEMENTS

as at and for the period ended March 31, 2021

Gearing Ratio is as follows :

Amount in ₹

Particulars	31st March 2021	31st March 2020
Net debt	-	-
Total Net Debt and Equity	8,53,14,14,733	8,54,72,19,398
Gearing Ratio	0.00%	0.00%

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the loans and borrowings that define capital structure requirements. There have been no breaches in the financial covenants of any loans and borrowing in the current period.

No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March 2021 and 31 March 2020.

33. Gratuity and other post-employment benefit plans

The Company has classified the various benefits provided to employees as under:-

a) Defined contribution plans

i. Provident fund

Contribution to Defined Contribution Plans, recognized as expense for the year is as under:-

Particulars	31st March 2021	31st March 2020
Employer's Contribution to Provident Fund	54,94,277	73,51,014
Employer's Contribution to Pension Scheme	19,87,992	33,18,271

b) Defined benefit plans

i. Contribution to Gratuity fund

ii. Compensated absences Earned leave

In accordance with Indian Accounting Standard 19, Employee Benefits, actuarial valuation was done in respect of the aforesaid defined benefit plans based on the following assumptions: -

Economic Assumptions

The discount rate and salary increase assumed are key financial assumptions and should be considered together; it is the difference or 'gap' between these rates which is more important than the individual rates in isolation.

Discount Rate

The discounting rate is based on the gross redemption yield on medium to long-term risk free investments. For the current valuation a discount rate of 6.79 % p.a. compound, has been used.

Salary Escalation Rate

The salary escalation rate usually consists of at least three components, viz. Regular increments, price inflation and promotional increases. In addition to this any commitments by the management regarding future salary increases and the Company's philosophy towards employee remuneration are also to be taken into account. Again a long-term view as to the trend in salary increase rates has to be taken rather than be guided by the escalation rates experienced in the immediate past, if they have been influenced by unusual factors.

43. As far as the Regency Convention Centre and Hotels Limited (Regency)'s legal Suit No. 6846 of 1999 with the Airport Authority of India (AAI) & Ors in the High Court of Judicature at Bombay is concerned and its slow progress in more than last 20 years and pursuant to the discussion and understanding with Mumbai International Airport Limited (MIAL), the company considered the prospect of amicable settlement of the dispute with MIAL and accordingly the Company and MIAL have executed a Share Purchase Agreement dated 20th April 2019 (SPA) wherein MIAL has agreed to buy Company's 100% investment in the Company at a purchase consideration of Rs.64 crores against which the company has received an advance of Rs.23 crores from MIAL to buy out other shareholders' holding in the company. The SPA is subject to fulfilment of certain conditions including withdrawal of the legal Suit by the holding company. However, the terms of the SPA could not be fulfilled by the Long Stop Date 30th June 2019 mentioned therein. Hence, MIAL had extended the Long Stop Date from 30th June 2019 to 31st March 2021 to pay the balance consideration of Rs.41 crores with an interest at the rate of 8.25% p.a. Again, due to change in MIAL's management, MIAL has now proposed to extend the Long Stop Date further to 30th June 2021 from 31st March 2021 with an enhanced interest rate of 8.36% p.a. for the period commencing from 1st July 2019 till the date of payment of the balance consideration of Rs.41 Crores to complete the transaction. Notwithstanding the above development, the company is always open to consider a hotel project in future at the CSI Airport, Mumbai subject to a suitable opportunity, terms, process, business and economic environment. The Company shall pursue the legal case till the completion of the transaction.

Consequent to giving effects of the Scheme, all the securities held by GJS in RHPL transferred to the Company and accordingly RHPL became a direct wholly owned subsidiary of the Company.

45. STATUS OF ONGOING SCHEME OF ARRANGEMENT:

Regarding the Scheme of Arrangement, Demerger and Reduction of capital with its wholly owned subsidiary Robust Hotels Private Limited, Chennai (Robust) and their respective shareholders and creditors ("the Scheme"), equity shareholders and unsecured creditors of the Company have agreed to the scheme at their respective meetings held on 17th March, 2021. The unsecured creditors of Robust have also agreed to the Scheme at their meeting held on 30th January, 2021. The equity shareholders meeting of Robust was dispensed with.

Your company and Robust have filed petitions with the respective Kolkata and Chennai Benches of the Hon'ble NCLT and the petitions are pending for sanction by the Hon'ble NCLTs.

On sanction and effectiveness of the Scheme, the shareholders of the Company will receive prescribed bonus shares of the Company and new equity shares of Robust. The wholly owned subsidiary Robust will be a listed with BSE and NSE and accordingly the shareholders of the Company will be holding the equity shares of two listed hotel companies. In view of this, the shareholding pattern of Robust shall mirror the shareholding pattern of the Company. The Company expects the effects of the Scheme shall be given in the current financial year 2021-22 provided the corona pandemic situation does not become a hindrance to it.

All stakeholders can see the Scheme documents at the Company's web link <http://www.ahleast.com/index.html>.

46. Pursuant to the provisions of Section 124 & 125 of the Companies Act, 2013 read with the Investor Education and Protection Fund (IEPF) Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 (the Rules), Rs. 8,14,467/- and 25,207 shares have been transferred to the IEPF for the dividend declared in the financial year ended 2012-13 and the respective shares whose dividend remained unpaid or unclaimed for seven consecutive years. Further, Rs. 18,599 of F.Y 2012-13 and its 4,130 shares of F.Y 2012-13 being restrained shares could not be transferred to the IEPF pursuant to Rule 6(3)(b) of the Rules, the due date of transfer of which was September 13, 2020.
47. The spread of COVID-19 has severely impacted businesses around the globe, including India. There has been severe disruption of regular business operations due to lock-down, disruption in transportation, supply chain and other emergency measures. The company's offices were under lockdown for a longer period since 24th March, 2020 and the Hotel is running with curtailed manpower as per requisite permission from local administration. As a result the Hotel Operations for the F.Y 2020-21 has been severely impacted due to Covid -19. The company is monitoring the situation closely and operations are being ramped up in a phased manner taking into account directives from the Government. The management has considered internal and certain external sources of information up to the date of approval of the financial statements in determining the impact of COVID-19 pandemic on various elements of its financial statements. The management has used the principles of prudence in applying judgments, estimates and assumptions and based on the current estimates, the management expects to fully recover the carrying amount of inventories, trade receivables, investments and other assets. The Company has already initiated action plans including control of fixed overheads to reduce the impact on the profitability.
48. Estimated amount of Capital Contracts pending to be executed (Net of Advances – Rs 1,43,10,853 (Previous Year – Rs. 75,93,124/-)
49. The Auditors have commented on the need for and necessity of carrying out an evaluation of impairment of the investment and loans given by the Company to its wholly owned subsidiary Robust Hotels Pvt. Ltd., Chennai (RHPL). Against this comment, it is hereby submitted that sometimes back RHPL had undertaken valuation of its assets which exceeded the Company's investments in and loans to it. During last 5 years, RHPL has improved its performance and also generated cash profits and as a result RHPL was able to fulfill its financial obligations to banks/financial institutions. As on 31st March 2021, the secured Term Loan (including drawdown of Rs 8 crores in February, 2021 under ECLG Scheme) is Rs 122.81 crores. Unfortunately, the entire Hotel industry is now devastated on account of Covid-19 pandemic and also long / frequent lockdown declared by the Government.

NOTES TO THE FINANCIAL STATEMENTS

as at and for the period ended March 31, 2021

These events have created uncertainty and unpredictability in the future of the Hotel industry across the country. The entire Hotel industry is grappling with the situation and therefore in the present adverse circumstances it is difficult to carry out the impairment test.

However, the management is confident that the recoverable value of the investment and loans given to RHPL will not be less than the amount at which they have been stated in the balance sheet. The operating performance of the RHPL has been satisfactory and the management of the subsidiary has taken reasonable steps in reducing the overheads especially the manpower cost and utility cost to safeguard itself from huge operating losses on account of Covid-19. The RHPL has shown sign of recovery by achieving 57% revenue in the last quarter of FY 2020-21 corresponding to the same period in the last year (pre-Covid). The present adverse business conditions due to outbreak of Covid pandemic is temporary and it has become difficult to have the future projections of revenue/cash flows from the business for the purpose of Impairment as this industry has been affected badly. The management is optimistic that the long term prospects/fundamentals of RHPL is good and it expects quick recovery in the performance after business conditions are restored to its prior position. Hence, the management does not anticipate any impairment to the carrying amount of the asset.

Consolidated Financial Statement

Independent Auditor's Report

To the Board of Directors of Asian Hotels (East) Limited

Report on the Audit of Consolidated Financial Results

Qualified Opinion

1. We have audited the accompanying consolidated annual financial results of Asian Hotels (East) Limited ("the Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group") for the year ended 31st March 2021 and the Consolidated statement of assets and liabilities along with the cash flows as at and for the year ended 31st March 2021 ("consolidated financial results"), attached herewith, being submitted by the Company pursuant to the requirement of regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulation").
2. In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate audited financial statements/ financial information of the subsidiaries, the aforesaid consolidated financial results:
 - a. Includes the financial results of the entities given below:
Subsidiaries - Robust Hotels Private Limited, GJS Hotels Limited and Regency Convention Centre and Hotels Limited.
 - b. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
 - c. except for the possible effect of the matter described in 'Basis for Qualified Opinion' paragraph, gives a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards (Ind AS) and other accounting principles generally accepted in India of the net loss and other comprehensive income and other financial information of the Group for the year ended 31st March 2021 and the consolidated statement of assets and liabilities along with the cash outflows as at and for the year ended 31st March 2021.

Basis for Qualified Opinion

3. Attention is drawn to the following notes of the accompanying consolidated annual financial statements:

The Company is carrying a goodwill on consolidation amounting to Rs. 9,991.03 lakhs for the investment in subsidiaries of the company as on March 31, 2021. The financial performance of the subsidiaries and adverse impact of the pandemic Covid-19 on the operation of the subsidiaries indicate a need for impairment testing of the goodwill. However, management has not carried out any impairment testing of goodwill along with carrying value of net assets of subsidiary company to assess if there is any impairment charge to be recognised on goodwill for reason mentioned in Note No 4 to the consolidated financial results. The management is confident that the recoverable amount of the goodwill on consolidation will not be less than the amount at which they have been stated in the balance sheet.

Impact of the above matter on the financial statement is not ascertainable and as such cannot be commented upon.

4. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Annual Consolidated Financial Results" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our ethical responsibilities in accordance with the requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the consolidated financial results.

Independent Auditor's Report (contd.)

Emphasis of Matter

5. We draw attention to Note No. 5 to the Consolidated financial results which describes the impact of COVID-19, a global pandemic, on the operations and financial matters of the company.

Our opinion is not modified in respect of this matter.

Management's and Board of Directors' Responsibilities of the Annual Consolidated Financial Results

6. These consolidated financial results have been prepared on the basis of the annual consolidated financial statements.
7. The Holding Company's Management and the Board of Directors are responsible for the preparation and presentation of the consolidated financial results that gives a true and fair view of the net profit and other comprehensive income of the Company and other financial information of the Group and the consolidated statement of assets and liabilities along with the cash flows as at and for the year ended 31st March 2021 in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued there under and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations.
8. The respective Management and the Board of directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the preparation of the consolidated financial results by Management and Board of Directors of the Holding Company, as aforesaid.
9. In preparing the consolidated financial results, the respective Management and the Board of Directors included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.
10. The respective Board of Directors of the companies included in the Group are also responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Annual Consolidated Financial Results

11. Our objectives are to obtain reasonable assurance about whether the consolidated financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.
12. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - a. Identify and assess the risks of material misstatement of consolidated financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - b. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of Consolidated financial statements whether the holding company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

Independent Auditor's Report (contd.)

- c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
 - d. Conclude on the appropriateness of the Management and Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
 - e. Evaluate the overall presentation, structure and content of the consolidated financial results, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.
13. Materiality is the magnitude of misstatements in the consolidated financial results that individually or in aggregate, make it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial results.
 14. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
 15. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
 16. We also performed procedures in accordance with the circular issued by SEBI under Regulation 33(8) of the Listing Regulations, as amended, to the extent applicable.

Other Matter

17. We did not audit the financial statements / financial information of three subsidiaries whose financial statements / financial information reflects total assets of Rs. 54,486.32 lacs and net assets of Rs. 34,466.56 lacs as at March 31, 2021 and total revenue of Rs. 1292.74 Lacs and Rs. 2809 Lacs, total net profit/loss after tax of Rs. (743.85) Lacs and Rs. (3366.19) Lacs, total comprehensive income of Rs. (728.01) Lacs and Rs. (3350.35) Lacs for the quarter ended March 31, 2021 and period April 1, 2020 to March 31, 2021, respectively which have been reviewed and furnished to us by the independent auditors. Our opinion on the consolidated financial results, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on the reports of other auditors and the procedures performed by us as stated in paragraph 12 above.
18. The Consolidated financial results include the results for the quarter ended 31 March 2021 being the balancing figure between the audited figures in respect of the full financial year and the published unaudited year to date figures up to the third quarter of the current financial year which were only reviewed and not subjected to audit by us.
19. The Consolidated annual financial results dealt with in this report has been prepared for the express purpose of filing with stock exchanges. These results are based on and should be read with the Consolidated financial statements of the Group for the year ended March 31, 2021 on which we issue a modified audit opinion vide our report dated June 23, 2021.

NOTES TO THE FINANCIAL STATEMENTS

as at and for the period ended March 31, 2021

1. Company Overview and Significant Accounting Policies

1.1 Company overview

Asian Hotels (East) Limited is a Public Limited Company listed with Bombay Stock Exchange and National Stock Exchange and is primarily engaged in the Hotel business through “Hyatt Regency Kolkata” a five-star Hotel situated in the city of Kolkata.

1.2 Basis of preparation of financial statement

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, and the provisions of the Companies Act, 2013 ('Act') (to the extent notified). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The financial statements are approved for issue by the Company's Board of Directors on June 23, 2021

The Ministry of Corporate Affairs (MCA) has issued certain amendments in existing Accounting Standards which are effective from July 24, 2020.

- A. Ind AS 103 (Business Combinations): Defined “business” in more detail, an optional test to identify concentration of fair value, element of Businesses and Assessing whether an acquired process is substantive.
- B. Ind AS 107 (Financial Instruments: Disclosures): Disclosures for uncertainty arising from interest rate benchmark reform.
- C. Ind AS 109 (Financial Instruments): Temporary exceptions from applying specific hedge accounting requirements.
- D. Ind AS 116 (Leases): Due to the pandemic COVID- 19 – Related Rent concession, a clarification has been provided on accounting of Rent concessions, whether to treat as a lease modification or not.
- E. Ind AS 1 and Ind AS 8 (Presentation of Financial Statements and Accounting Policies, Changes in Accounting Estimates and Errors): Change/modification in the definition of “Material”.
- F. Ind AS 10 (Events after the Reporting Period): Definition for non – adjusting events and its effective date of application.
- G. Ind AS 34 (Interim Financial Reporting): Consequential of the above amendments.
- H. Ind AS 37 (Provisions, Contingent Liabilities and Contingent Assets): Consequential amendment and accounting of restructuring plan.

The amendments listed did not have any impact on the amounts recognized in prior periods and are not expected to significantly affect the current and future periods.”

1.3 Functional & Presentation Currency

These Financial statements are presented in Indian Rupees (INR) which is also the company's functional currency.

NOTES TO THE FINANCIAL STATEMENTS

as at and for the period ended March 31, 2021

1.4 Use of estimates

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

1.5 Significant Accounting Policies

a. Property Plant & Equipment:

Property, Plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in profit or loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Depreciation on fixed assets is calculated on a straight-line basis using the rates based on the useful lives of the assets as prescribed in Schedule II to the Companies Act, 2013. If the asset is purchased on or before the 15th of month depreciation is charged from the month of purchase, otherwise depreciation is charged from the month following the month of purchase.

Intangibles

Property, Plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in profit or loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Intangible assets are stated at cost less accumulated amortisation and net of impairments, if any. An intangible asset is recognised if it is probable that the expected future economic benefits that are attributable to the asset will flow to the company and its cost can be measured reliably. Intangible assets are amortised on straight line basis over their estimated useful lives.

Depreciation on fixed assets is calculated on a straight-line basis using the rates based on the useful lives of the assets as prescribed in Schedule II to the Companies Act, 2013. If the asset is purchased on or before the 15th of month depreciation is charged from the month of purchase, otherwise depreciation is charged from the month following the month of purchase.

NOTES TO THE FINANCIAL STATEMENTS

as at and for the period ended March 31, 2021

b. Investments in Subsidiaries

"Subsidiaries are entities controlled by the Company. The Company controls an entity when it is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. The Company's investment in the equity shares of its subsidiaries are recognised at cost. The company has elected to apply previous GAAP carrying amount of its equity investment in subsidiaries as deemed cost as on the date of transition to Ind AS. However, the debt instruments in subsidiaries are recognized at fair value."

c. Inventories

Inventories are measured at lower of cost and net realizable value. Net realizable value is the estimated selling price in the ordinary course of business, less the estimated cost of completion & selling expenses.

d. Trade Receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

e. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financials Asset

Initial recognition and measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three categories:

- (i) Financial Asset at amortized cost
- (ii) Financial Asset At Fair Value through other comprehensive income (OCI)\
- (iii) Financial Asset at Fair value through profit and loss (PL)"

Financial Asset at amortized cost

A 'Financial Asset' is measured at the amortized cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the statement of profit or loss.

NOTES TO THE FINANCIAL STATEMENTS

as at and for the period ended March 31, 2021

Financial Asset at Fair value through OCI

- A Financial Asset' is classified as at the FVTOCI if both of the following criteria are met:
- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
 - b) The asset's contractual cash flows represent SPPI. Financial Asset included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI).

Financial Asset at fair value through profit or loss

FVTPL is a residual category for Financial Assets. Any financial asset, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the company may elect to designate a Financial asset, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

Equity Instruments

All equity investments in scope of Ind AS 109 are measured at fair value. For equity instruments, the company may make an irrevocable election to present subsequent changes in the fair value in other comprehensive income. The Company makes such election on an instrument by-instrument basis. The classification is made on initial recognition and is irrevocable if the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI.

Derecognition of Financial asset

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized when:

- The rights to receive cash flows from the asset have expired, or
 - The company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either
- (a) the Company has transferred substantially all the risks and rewards of the asset, or
 - (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure.

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance.
- b) Financial assets that are debt instruments and are measured as at FVTOCI.
- c) Lease receivables under Ind AS 17.
- d) Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 11 and Ind AS 18 (referred to as 'contractual revenue receivables')

NOTES TO THE FINANCIAL STATEMENTS

as at and for the period ended March 31, 2021

- e) Loan commitments which are not measured as at FVTPL
- f) Financial guarantee contracts which are not measured as at FVTPL

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument.

Financial Liabilities\

Initial recognition and measurement

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. For financial liabilities maturing within one year from the balance sheet date, the carrying amount approximate fair value due to the short maturity of these instruments.

Subsequent Measurement

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognized in the profit or loss. "

Financial Liabilities at amortized cost

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

f. Cash and Cash Equivalents

Cash and Cash Equivalent in balance sheet comprise cash at banks and on hand, unpaid dividend, fixed deposits and short - term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

g. Trade Payables & Other Payables

These amounts represent liabilities for goods and services provided to the company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

h. Provisions, Contingent liabilities

Provisions are recognized when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of

NOTES TO THE FINANCIAL STATEMENTS

as at and for the period ended March 31, 2021

the obligation. The expense relating to a provision is presented in the statement of profit and loss. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

A contingent liability is disclosed in case of-

- a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation;
- a present obligation arising from past events, when no reliable estimate is possible ;
- a possible obligation arising from past events, unless the probability of outflow of resources is remote.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date.

i. Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Revenue from contract with customer

Ind AS 115 was issued on 28 March 2018 and supersedes Ind AS 11 Construction Contracts and Ind AS 18 Revenue and it applies, with limited exceptions, to all revenue arising from contracts with its customers. Ind AS 115 establishes a five-step model to account for revenue arising from contracts with customers and requires that revenue be recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer.

Ind AS 115 requires entities to exercise judgement, taking into consideration all of the relevant facts and circumstances when applying each step of the model to contracts with their customers. The Company adopted Ind AS 115 using the modified retrospective method of adoption with the date of initial application of 1 April 2018. Under this method, the standard can be applied either to all contracts at the date of initial application or only to contracts that are not completed at this date. The Company elected to apply the standard to all contracts as at 1 April 2018. However, the application of Ind AS 115 does not have any significant impact on the recognition and measurement of revenue and related items.

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The Company has generally concluded that it is the principal in its revenue arrangements, because it typically controls the goods or services before transferring them to the customer.

Sale of Goods:

Revenue from sale of goods is recognised at the point in time when control of the goods is transferred to the customer. The normal credit term is 30 days upon delivery. The revenue is measured on the basis of the consideration defined in the contract with a customer, including variable consideration, such as discounts, volume rebates, or other contractual reductions. As the period between the date on which the Company transfers the promised goods to the customer and the date on which the customer pays for these goods is generally one year or less, no financing components are taken into account.

NOTES TO THE FINANCIAL STATEMENTS

as at and for the period ended March 31, 2021

The Company considers whether there are other promises in the contract that are separate performance obligations to which a portion of the transaction price needs to be allocated.

Sale of Services:

The Company has applied the guidance in Ind AS 115, Revenue from contract with customer, by applying the revenue recognition criteria for each distinct performance obligation. The arrangements with customers generally meet the criteria for considering room booking and related services as distinct performance obligations. For allocating the transaction price, the Company has measured the revenue in respect of each performance obligation of a contract at its relative standalone selling price. The price that is regularly charged for an item when sold separately is the best evidence of its standalone selling price.

j. Other Income

Other income is comprised primarily of interest income, dividend income, gain on sale of investments and exchange gain/loss on translation of assets and liabilities. For all debt instruments measured either at amortised cost or at fair value through other comprehensive income, interest income is recognised using the effective interest rate (EIR). Dividend income is recognised when right to receive payment is established.

k. Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

l. Income taxes

Income tax expense comprises current and deferred income tax. Income tax expense is recognized in net profit in the statement of profit and loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income. Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. The company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

NOTES TO THE FINANCIAL STATEMENTS

as at and for the period ended March 31, 2021

Minimum Alternate Tax ('MAT') credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income-tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised as an asset, the said asset is created by way of a credit to the statement of profit and loss. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal income-tax during the specified period.

m. Earnings per share

Basic Earnings per share are calculated by dividing the net profit or loss for the period attributable to the equity shareholders by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as fraction of equity shares to the extent that they are entitled to participate in dividends relative to a fully paid equity shares during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a right issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earning per share, the net profit or loss for the period attributable to Equity Shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

n. Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement. For arrangements entered into prior to 1 April 2014, the Company has determined whether the arrangement contain lease on the basis of facts and circumstances existing on the date of transition. Company as a lessee A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease. Finance leases are capitalised at the commencement of the lease at the inception date fair value of the leased property or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in finance costs in the statement of profit and loss, unless they are directly attributable to qualifying assets, in which case they are capitalized in accordance with the Company's general policy on the borrowing cost. A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term. Operating lease payments are recognised as an expense in the statement of profit and loss on a straight-line basis over the lease term.

o. Fair Value Measurement

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company

NOTES TO THE FINANCIAL STATEMENTS

as at and for the period ended March 31, 2021

uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

p. Employee benefits

Provident Fund: Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. **Gratuity & Leave Encashment (Unfunded):** Provision for gratuity and leave encashment are based on actuarial valuation as on the date of the Balance Sheet. The valuation is done by an independent actuary using the projected unit credit method. Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

All employee benefits payable wholly within twelve months rendering services are classified as short term employee benefits. Benefits such as salaries, wages, short-term compensated absences, performance incentives etc., and the expected cost of bonus, ex-gratia are recognised during the period in which the employee renders related service.

q. Foreign Currencies

Transactions and balances Transactions in foreign currencies are initially recorded by the Company at their functional currency spot rates at the date the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in profit or loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively).

r. Dividend

Final dividend on shares are recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors.

s. Impairment of non-current assets

Ind AS 36 requires that the Company assesses conditions that could cause an asset or a Cash Generating Unit (CGU) to become impaired and to test recoverability of potentially impaired assets. These conditions include internal and external factors such as the Company's market capitalization, significant changes in the Company's planned use of the assets or a significant adverse change in the expected prices, sales volumes or raw material cost. The identification of CGUs involves judgment, including assessment of where active markets exist, and the level of interdependency of cash inflows. CGU is

NOTES TO THE FINANCIAL STATEMENTS

as at and for the period ended March 31, 2021

usually the individual plant, unless the asset or asset group is an integral part of a value chain where no independent prices for the intermediate products exist, a group of plants is combined and managed to serve a common market, or where circumstances otherwise indicate significant interdependencies. In accordance with Ind AS 36, goodwill and certain intangible assets are reviewed at least annually for impairment. If a loss in value is indicated, the recoverable amount is estimated as the higher of the CGU's fair value less cost to sell, or its value in use. Directly observable market prices rarely exist for the Company's assets, however, fair value may be estimated based on recent transactions on comparable assets, internal models used by the Company for transactions involving the same type of assets or other relevant information. Calculation of value in use is a discounted cash flow calculation based on continued use of the assets in its present condition, excluding potential exploitation of improvement or expansion potential. Determination of the recoverable amount involves management estimates on highly uncertain matters, such as commodity prices and their impact on markets and prices for upgraded products, development in demand, inflation, operating expenses and tax and legal systems. The Company uses internal business plans, quoted market prices and the Company's best estimate of commodity prices, currency rates, discount rates and other relevant information. A detailed forecast is developed over the period of three years with projections thereafter. The Company does not include a general growth factor to volumes or cash flows for the purpose of impairment tests, however, cash flows are generally increased by expected inflation and market recovery towards previously observed volumes.

t. New Standards / Amendments to Existing Standard issued but not yet effective upto the date of issuance of the Company's Financial Statement are disclosed below:

"On March 24, 2021, the Ministry of Corporate Affairs ("MCA") through notification amended Schedule III of the Companies Act, 2013. The amendments revise Division I, II and III of Schedule III and are applicable from April 1, 2021. Key amendments relating to Division II which relate to companies whose financial statements are required to comply with Companies (Indian Accounting Standards) Rules 2015 are:

Rounding Off: For the purpose of rounding off the figures appearing in the Financial Statements for financial year ending 31.03.2022 the total income of the Company shall be considered instead of Turnover.

Estimation uncertainty relating to the global health pandemic on COVID-19:

On March 11, 2020, the World Health Organisation declared COVID-19 outbreak as a pandemic. Responding to the potentially serious threat that this pandemic has to public health, the Indian Government has taken a series of measures to contain the outbreak, which included imposing multiple 'lock-downs' across the country from March 22, 2020, and extended up to June 30, 2020. The lockdowns and restrictions imposed on various activities due to COVID – 19 pandemic have posed challenges to the business of the Company. Lockdown guidelines issued by Central/State governments mandated closure of hotel operations and cessation of air traffic and other forms of public transport. This has resulted in low occupancies / shutdowns of our hotel. With the lifting of the partial lockdown restrictions, the Company has started re-opening the hotel being in the non-containment zones, after establishing thorough and well-rehearsed safety protocols. The Company expects to become operational in a phased manner after the lockdown is lifted and the confidence of travelers is restored. The Company expects the demand for its services to pick up albeit at a slower pace once lockdown is lifted and recovery in business to be driven by domestic leisure tourism, staycations, domestic business travel and limited international travel. The Company has assessed the potential impact of COVID-19 on its capital and financial resources, profitability, liquidity position, supply chain and demand for its services. The Company has judiciously invoked the Force Majeure clauses for reliefs during the lock down period and does not foresee any disruption in raw material supplies. The Company has also assessed the potential impact of COVID-19 on the carrying value of property, plant & equipment, right-of-use assets, intangible assets, investments, trade receivables, inventories, and other current assets appearing in the financial statements of the Company. In developing the assumptions and estimates relating to the future uncertainties in the economic conditions because of this pandemic, the Company as at the date of approval of these Financial statements has used internal and external sources of information and based on current estimates, expects to recover the carrying amounts of these assets. The impact of the global health pandemic may be different from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes to future economic conditions.

u. Principles of Consolidation

The Consolidated Financial Statements have been prepared in accordance with Ind AS 110 – “Consolidated Financial Statements”.

The Consolidated Financial Statements comprise the financial statements of Asian Hotels (East) Limited and the following subsidiaries:-

Name of the Company	Country of Incorporation	% of Holding as on 31-March 2021
GJS Hotels Limited	India	100
Regency Convention Centre & Hotels Limited	India	100
Robust Hotels Private Limited	India	100

The Consolidated Financial Statements have been prepared on the following basis:

The Financial Statements of the Company and its subsidiaries companies have been combined on a line basis by adding together the book value of like items of assets, liabilities, income and expenses after fully eliminating intra group balances and intra group transactions, if any.

The Consolidated Financial Statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances.

Goodwill arising in Consolidated Financial Statements on consolidation of Financial Statements of the Company and its subsidiary companies have been capitalised to the extent not impaired in the books of the Company. The Company has elected to measure the value of goodwill at previous IGAAP value as on the transition date.

2. Key Accounting Estimates & Judgements

The preparation of the Company’s financial statements requires the management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The key assumptions concerning the future and other key sources of estimate uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below:

a. Income taxes

Deferred tax assets are recognized for unused tax losses/MAT carry forward to the extent is possible that taxable profit will be available against which the losses can be utilized. Significant management judgement is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies including amount expected to be paid / recovered for uncertain tax positions.

b. Property, Plant and Equipment and Useful Life of PPE and Intangible Assets

Property, Plant and Equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset’s expected useful life and the expected residual value at the end of its life. The useful lives and residual value of Compa-

nys' assets are determined by the management at the time the asset is acquired and reviewed periodically, including at each financial year end. The life based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technical or commercial obsolescence arising from changes or improvements in production or from a change in market demand of the products or service output of the asset.

c. Defined Benefit Plans

Post-employment benefits represents obligation that will be settled in future and require assumptions to project benefit obligations. Post-employment benefit accounting is intended to reflect the recognition of future benefit cost over the employee's approximate service period, based on the terms of plans and the investment and funding decisions made. The accounting require the Company to make assumptions regarding variables such as discount rate, rate of as at and for the year ended March 31, 2020.

d. Fair value measurement of Financial Instruments

When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques, including the discounted cash flow model, which involve various judgements and assumptions.

e. Provisions and Contingencies

Legal proceedings covering a range of matters are pending against the Company. Due to the uncertainty inherent in such matters, it is often difficult to predict the final outcomes. The cases and claims against the Company often raise difficult and complex factual and legal issues that are subject to many uncertainties and complexities, including but not limited to the facts and circumstances of each particular case and claim, the jurisdiction and the differences in applicable law, in the normal course of business. The Company consults with legal counsel and certain other experts on matters related to lotogations. The Company accrues a liability when it is determined that an adverse outcome is probable and the amount of the loss can be reasonably estimated. In the event an adverse outcome is possible or an estimate is not determinable, the matter is disclosed.

Fair value hierarchy

This section explains the estimates and judgements made in determining the fair values of Financial Instruments that are measured at fair value and amortised cost and for which fair values are disclosed in financial statements. To provide an indication about reliability of the inputs used in determining the fair values, the group has classified its financial instruments into the three levels prescribed under accounting standards. An explanation of each level follows underneath the table:

Level 1 : includes financial Instrument measured using quoted prices (unadjusted) in active markets for identical assets and liabilities that the entity can access at the measurement date.\

Level 2 : Includes financial Instruments which are not traded in active market but for which all significant inputs required to fair value the instrument are observable. The fair value is calculated using the valuation technique which maximises the use of observable market data.

Level 3: Includes those instruments for which one or more significant input are not based on observable market data.

The following table presents fair value hierarchy of assets and liabilities measured at fair value as of March 31, 2021:

30. FINANCIAL RISK MANAGEMENT

Financial risk factors

The Company's activities expose it to a variety of financial risks : market risk, liquidity risk and credit risk.

Market risk

Market risk is the risk that the changes in market prices such as foreign exchange rates and equity prices will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

a. Foreign Currency risk

The Company is exposed to foreign exchange risk through its purchases from overseas suppliers and payment for services availed in various foreign currencies. The Company pays off its foreign exchange exposure within a short period of time, thereby mitigates the risk of material changes in exchange rate on foreign currency exposure.

The following table analyses foreign currency risk from financial instruments as of 31st March 2021 and 31st March 2020.

	31st March 2021	31st March 2020
Particulars	Amount in ₹	Amount in ₹
Trade payables (USD converted to INR)	11,87,66,897	9,63,26,233

For the year ended 31st March 2021 and 31st March 2020, the effect of every percentage point depreciation/appreciation in the exchange rate between the Indian rupee and U.S.dollar, is as under:

	Change in USD Rate	Effect on Profit before Tax	
		31st March 2021	31st March 2020
Appreciation in Exchange Rate	1%	(11,87,669)	(9,63,262)
Depreciation in Exchange Rate	-1%	11,87,669	9,63,262

b) Other Market Price Risks

The Group's exposure to equity securities price risk arises from investments held by the Group and classified in the balance sheet as fair value through Other Comprehensive Income and Fair value through profit/loss. If the equity prices of quoted investments are 1% higher/ lower, the Other Comprehensive Income for the year ended March 31, 2020 would increase/ decrease by Rs 14,94,648 (for the year ended March 31, 2019: increase/ decrease by Rs 18,46,022) and profit or loss for the year ended March 31, 2020 would increase/ decrease by Rs 70,13,485 (for the year ended March 31, 2019: increase/ decrease by Rs 69,08,863)

Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting its obligations associated with its financial liabilities.

The Group's principle source of liquidity are cash and cash equivalent, cash flows from operations and investment in mutual funds. The Group believes that working capital is sufficient to meet its current requirements. Accordingly, no liquidity risk is perceived.

Company. The Company has specifically evaluated the potential impact with respect to customers in Airline and Travel Agents segments which could have an immediate impact though the outstanding is not significant. Further, we expect that there could be some delay in payments from debtors, over and above the credit cycle. Basis our internal assessment and the stringent provisioning policy of the Company, the management assessment for the allowance for doubtful trade receivables of Rs 34,00,090 as at March 31, 2021 is considered adequate.

31. CAPITAL MANAGEMENT

For the purpose of managing capital, Capital includes issued equity share capital and reserves attributable to the equity holders.

The objective of the company's capital management are to:

- Safeguard their ability to continue as going concern so that they can continue to provide benefits to their shareholders.
- Maximisation the wealth of the shareholder.
- Maintain optimum capital structure to reduce the cost of the capital.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and requirement of financial covenants. In order to maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company includes within net debt, loans and borrowings, less cash and cash equivalents.

Gearing Ratio is as follows :

Amount in ₹

Particulars	31st March 2021	31st March 2020
Net debt	1,04,47,01,741	96,96,52,966

37. As far as the Regency Convention Centre and Hotels Limited (Regency)'s legal Suit No. 6846 of 1999 with the Airport Authority of India (AAI) & Ors in the High Court of Judicature at Bombay is concerned and its slow progress in more than last 20 years and pursuant to the discussion and understanding with Mumbai International Airport Limited (MIAL), the company considered the prospect of amicable settlement of the dispute with MIAL and accordingly the Company and MIAL have executed a Share Purchase Agreement dated 20th April 2019 (SPA) wherein MIAL has agreed to buy Company's 100% investment in the Company at a purchase consideration of Rs.64 crores against which the company has received an advance of Rs.23 crores from MIAL to buy out other shareholders' holding in the company. The SPA is subject to fulfilment of certain conditions including withdrawal of the legal Suit by the holding company. However, the terms of the SPA could not be fulfilled by the Long Stop Date 30th June 2019 mentioned therein. Hence, MIAL had extended the Long Stop Date from 30th June 2019 to 31st March 2021 to pay the balance consideration of Rs.41 crores with an interest at the rate of 8.25% p.a. Again, due to change in MIAL's management, MIAL has now proposed to extend the Long Stop Date further to 30th June 2021 from 31st March 2021 with an enhanced interest rate of 8.36% p.a. for the period commencing from 1st July 2019 till the date of payment of the balance consideration of Rs.41 Crores to complete the transaction. Notwithstanding the above development, the company is always open to consider a hotel project in future at the CSI Airport, Mumbai subject to a suitable opportunity, terms, process, business and economic environment. The Company shall pursue the legal case till the completion of the transaction.

39. Gratuity and other post-employment benefit plans

The Company has classified the various benefits provided to employees as under:-

- a) Defined contribution plans
 - i. Provident fund

Contribution to Defined Contribution Plans, recognized as expense for the year is as under:-

Particulars	31 st March 2021	31st March 2020
Employer's Contribution to Provident Fund	77,56,423	1,22,73,171
Employer's Contribution to Pension Scheme	34,16,127	61,95,524

- b) Defined benefit plans
 - i. Contribution to Gratuity fund
 - ii. Compensated absences Earned leave

In accordance with Indian Accounting Standard 19, Employee Benefits, actuarial valuation was done in respect of the aforesaid defined benefit plans based on the following assumptions: -

Economic Assumptions

The discount rate and salary increase assumed are key financial assumptions and should be considered together; it is the difference or 'gap' between these rates which is more important than the individual rates in isolation.

NOTES TO THE FINANCIAL STATEMENTS

as at and for the period ended March 31, 2021

Discount Rate

The discounting rate is based on the gross redemption yield on medium to long-term risk free investments. For the current valuation a discount rate of 6.79 % p.a. compound, has been used.

Salary Escalation Rate

The salary escalation rate usually consists of at least three components, viz. Regular increments, price inflation and promotional increases. In addition to this any commitments by the management regarding future salary increases and the Company's philosophy towards employee remuneration are also to be taken into account. Again a long-term view as to the trend in salary increase rates has to be taken rather than be guided by the escalation rates experienced in the immediate past, if they have been influenced by unusual factors.

Salary Escalation Rate (p.a.)	2	6.00 %	6.00 %

NOTES TO THE FINANCIAL STATEMENTS

as at and for the period ended March 31, 2021

Notes:

1. The discount rate is based on the prevailing market yields of Indian Government securities as at the balance sheet date for the estimated term of obligations.
2. The estimates of rate of escalation in salary considered in actuarial valuation, take into account inflation, seniority, promotion and other relevant factors including supply and demand in the employment market.
3. The gratuity plan and earned leave is unfunded.

Demographic assumptions:

- a. Retirement age: 58 years
- b. Mortality rate : Published rates under Indian Assured Lives Mortality (IALM) Ultimate table

The Board of Directors, in the Meeting held on 13th January 2020, approved a Scheme of Arrangement, Demerger and Reduction of Capital between the Company and its holding Company, Asian Hotels (East) Limited (AHEL) and their respective shareholders and creditors under sections 230-232 and 66 of the Companies Act, 2013 (the Scheme) for inter alia:

- (i) demerger and transfer of the undertaking, business, activities and operations of AHEL pertaining to 'Securities Trading Unit' comprising of treasury/liquid investments from AHEL into the Company, as a going concern in compliance with Section 2(19AA) of Income Tax Act, 1961;
- (ii) capitalization of reserves of the AHEL and issuance and allotment of fully paid-up bonus equity shares having face value of Rs. 10 (Indian rupees ten) by AHEL to its equity shareholders (as of the Record Date), in the ratio 2:1 that is, 1 (one) new bonus fully paid-up equity share having face value of Rs. 10/- (Ten) each for every 2 (two) Equity Shares of the AHEL having face value of Rs. 10 /- (Ten) each held by a shareholder of AHEL as of the Record Date;
- (iii) reorganization and reduction of shares of the Company held by AHEL (without any consideration) with 'Appointed Date' being the same as the Effective date or such other date as may be modified/fixed by the Tribunals; and
- (iv) upon effectiveness of the Scheme the Company shall issue & allot 1(one) fully paid-up equity share of the Company having a face value of Rs. 10/- each for every 1 (one) fully paid-up equity share of the AHEL having a face value of Rs. 10/- held by a shareholder of AHEL as on the Record Date (as determined in terms of the Scheme and the Companies Act 2013) and the shares of the Company shall be listed and admitted for trading on all the stock exchanges where the equity shares of AHEL are listed.

The unsecured creditors of the company have also agreed to the scheme at their meeting held on 30th January, 2021 and the equity shareholders meeting of the company was dispensed with.

The equity shareholders and unsecured creditors of its holding company have also agreed to the scheme at their respective meetings held on 17th March, 2021.

The Company has filed drawings with Bhubaneswar Municipal Corporation (BMC) and has also been following up with the Archaeological and Fire Safety Department for issue of No Objection Certificate (NOC) and fire safety recommendation for its hotel project on the leasehold land at Bhubaneswar. The sanction of the drawing is awaited.

Of late, the Government of Odisha in one of the meetings with the Company has verbally proposed new terms relating to submission of a bank guarantee as performance guarantee for the hotel project and accordingly issued a letter in this connection. The Company has replied to the letter and has counter proposed a revised term in connection with the performance guarantee as desired by the government.

Further, the promoters of the Company have met the Government officials in the month of March, 2021 for the Bhubaneswar Hotel Project and have also made some new proposals before the Government for its consideration.

Therefore, the Government of Odisha vide its letter dated 23rd April, 2021 has directed the Company to submit bank guarantee as performance guarantee @ 40% of Industrial Policy Resolution rate i.e. Rs. 1.25 crore per acre for the lease land measuring 7.000 acre amounting to Rs. 3.50 crore within 30 days of the letter. Further it has directed to start the construction of the project within three months and complete the same within three years failing which actions will be taken as per law including determination of lease.

The company and its holding company have filed petitions with the Chennai and Kolkata Benches of the Hon'ble NCLT on 11th February 2021 and 13th April 2021 respectively. Orders sanctioning the scheme from the Hon'ble NCLT(s) are awaited.

All stakeholders can see the Scheme documents including the observation letters dated 21.05.2020 in the Company's website at www.ahleast.com and website of the BSE at <https://www.bseindia.com/corporates/NOCUnder.aspx> and NSE at <https://www1.nseindia.com/corporates/corporateHome.html?id=schemeofarrangement>

NOTES TO THE FINANCIAL STATEMENTS

as at and for the period ended March 31, 2021

47. Pursuant to the provisions of Section 124 & 125 of the Companies Act, 2013 read with the Investor Education and Protection Fund (IEPF) Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 (the Rules), Rs. 8,14,467/- and 25,207 shares have been transferred to the IEPF for the dividend declared in the financial year ended 2012-13 and the respective shares whose dividend remained unpaid or unclaimed for seven consecutive years. Further, Rs. 18,599 of F.Y 2012-13 and its 4,130 shares of F.Y 2012-13 being restrained shares could not be transferred to the IEPF pursuant to Rule 6(3)(b) of the Rules, the due date of transfer of which was September 13, 2020.
48. The spread of COVID-19 has severely impacted businesses around the globe, including India. There has been severe disruption of regular business operations due to lock-down, disruption in transportation, supply chain and other emergency measures. The Group's offices are under lockdown since 24th March, 2020 and the Hotel is running with curtailed manpower as per requisite permission from local administration. As a result the Hotel Operations for the month of March 2020 and also the performance for the F.Y 2020-21 will be severely impacted due to Covid -19. The Group is monitoring the situation closely and operations are being ramped up in a phased manner taking into account directives from the Government. The management has considered internal and certain external sources of information up to the date of approval of the financial statements in determining the impact of COVID-19 pandemic on various elements of its financial statements. The management has used the principles of prudence in applying judgments, estimates and assumptions and based on the current estimates, the management expects to fully recover the carrying amount of inventories, trade receivables, investments and other assets. The eventual outcome of impact of the global health pandemic may be different from those estimated as on the date of approval of these financial statements. The Group has already initiated action plans including control of fixed overheads to reduce the impact on the profitability.
49. Outstanding balances of Trade Receivables and Trade Payables are subject to confirmation from the respective parties and consequential adjustments arising from reconciliation if any. The Management, however, is of the view that there will be no material discrepancies in this regard.
50. The Auditors have commented on the need for and necessity of carrying out an evaluation of impairment of the goodwill on consolidation.
However, the management is confident that the realizable value of the goodwill on consolidation will not be less than the amount at which they have been stated in the balance sheet. The operating performance of the subsidiaries has been satisfactory. The present adverse business conditions due to outbreak of Covid 19 pandemic is temporary and it has become difficult to have the future realistic projections of revenue/cash flows from the business for the purpose of Impairment as the Hotel industry has been affected very badly. The management is optimistic that the long-term prospects/fundamentals of the subsidiaries are good and it expects quick recovery in the performance after business conditions are restored to its pre Covid 19 position. Further, in view of the effect of the ongoing Scheme of Arrangement, the management does not anticipate any impairment to the carrying amount of the intangible asset.
51. Previous Year figures have been regrouped / reclassified, wherever necessary.
