And for the last 1617 month.
238
00:34:04.318 --> 00:34:07.949
It is continue this part where he is going on.
239
00:34:07.949 --> 00:34:13.199
And it will spread out to entire India.
240
00:34:14.429 --> 00:34:23.518
Very recently in some part of the, uh, it is already split out in Canada
and areas.
241
00:34:23.518 --> 00:34:26.518
1 thing I want to mention.
242
00:34:26.518 --> 00:34:30.148

245
00:34:40.858 --> 00:34:47.458
News in my email that a new virus will also come.
246
00:34:47.458 --> 00:34:53.099
That will be very dangerous. And again in this, after December.
247

00:34:53.099 --> 00:34:57.599
Week 22 will also come that is a missed.
248

00:34:57.599 --> 00:35:00.898
That is much more dangerous than the 90.
249

00:35:00.898 --> 00:35:07.139
And they say you had just mentioned that all employee has been.
250

00:35:07.139 --> 00:35:13.619
Even double so to the life of your employee environment.
251

00:35:13.619 --> 00:35:19.708
So must be prepare again after 6 every month, or in a year.
252

00:35:19.708 --> 00:35:27.119
To give sorts of this, because it is it coming in the news that it
requires every time to give thoughts.
253

00:35:27.119 --> 00:35:30.958
So, he did yeah. Is it.
254

00:35:30.958 --> 00:35:36.358
Regular exercise to give slots, so you have to prepare also planning.
255

00:35:36.358 --> 00:35:46.318
For the cost of all these 6 month of annually, to give sorts to all the
employees that that also be kept in the budget.
256

00:35:46.318 --> 00:35:50.278
Again, those family who has been suffered.
257

00:35:50.278 --> 00:35:54.119
To copy it any, any employer department is support.
258

00:35:54.119 --> 00:35:59.909
And the cost of it, so if anyone has a part to be.
259

00:35:59.909 --> 00:36:06.358
Then you have to give some, a complaint system is special, public
competences and to.
260

00:36:06.358 --> 00:36:10.739
Their family, because their earning members in lost life.
261

00:36:10.739 --> 00:36:16.918
And they will support, so keep some competencies and special competencies
and 2.
262

00:36:16.918 --> 00:36:21.688
The victim of think of it.
263

00:36:21.688 --> 00:36:24.748
This is my humble request from the sales order site.

264

00:36:24.748 --> 00:36:33.449

1 thing we can, uh, we had come on this are the 2 work kind of exercise our life.

265

00:36:33.449 --> 00:36:38.998

But, uh, gardening is a different thing and to survive is a different thing.

266

00:36:38.998 --> 00:36:46.139

So, hardening and profit is not the main motive of any human name.

267

00:36:46.139 --> 00:36:49.768

But and to have a.

268

00:36:49.768 --> 00:36:57.239

Uh, line, like, eh, tuning with the other, uh, Li, livings on these, uh.

269

00:36:57.239 --> 00:37:04.139

Main thing people should not be in a having a, in an ego problem.

270

00:37:04.139 --> 00:37:08.909

This, eh, this copied 19 has so.

271

00:37:08.909 --> 00:37:16.108

That don't make the ego problem that I am a big person. I am a small person. I'm a very niche person. No.

272

00:37:16.108 --> 00:37:20.398

The reach personnel going through the same bet on the same 1.

273

00:37:20.398 --> 00:37:25.829

And a huge amount of expenditure.

274

00:37:25.829 --> 00:37:29.278

Cannot able to survive life, so.

275

00:37:29.278 --> 00:37:32.458

Going to have to make, uh, open up.

276

00:37:32.458 --> 00:37:36.869

All our own at 2 and half.

277

00:37:36.869 --> 00:37:42.148

And will go to end up not much more.

278

00:37:42.148 --> 00:37:45.268

God has met the calculation.

279

00:37:45.268 --> 00:37:51.539

Then, how will come and how will you go? So, during this course of the.

280

00:37:51.539 --> 00:37:57.329

Living on the art, there is a drop off human are creating.

281
00:37:57.329 --> 00:38:02.489
or does a lot of rules but we are out going out of the
282
00:38:02.489 --> 00:38:06.268
Now, coming on, the companies have.
283
00:38:06.268 --> 00:38:10.619
During the pandemic government has you.
284
00:38:10.619 --> 00:38:14.820
Lockdown instructed all the hotel business and the students.
285
00:38:14.820 --> 00:38:18.420
To do 2 pieces copied.
286
00:38:18.420 --> 00:38:29.130
Our number is support about W. W. will turn on 1 that I could not able to
go through your annual report.
287
00:38:29.130 --> 00:38:33.239
Yes, I see in the highlight only just now.
288
00:38:33.239 --> 00:38:36.510
Is taking on that test.
289
00:38:36.510 --> 00:38:40.380
Just go through your annual report in the.
290
00:38:40.380 --> 00:38:47.429
Decrease due to this.
291
00:38:47.429 --> 00:38:51.420
And how about a.
292
00:38:51.420 --> 00:38:56.849
He skipped the due date. No problem with the company.
293
00:38:56.849 --> 00:39:01.590
But if you go to the where this is.
294
00:39:01.590 --> 00:39:05.280
This is a stock market data.
295
00:39:05.280 --> 00:39:09.840
Before the.
296
00:39:09.840 --> 00:39:16.260
It was in on about 272 piece.
297
00:39:16.260 --> 00:39:21.030
And now we still it is on the same while the.
298
00:39:23.610 --> 00:39:26.849

Hello, can you send me the deck.

299

00:39:26.849 --> 00:39:31.769

There is a lot of time to tacky in between the director and the other people.

300

00:39:31.769 --> 00:39:36.360

Just to come for the discussion with the to concentrate.

301

00:39:36.360 --> 00:39:41.639

Your here I said, not increased according to the market.

302

00:39:41.639 --> 00:39:45.179

Your market is still there.

303

00:39:45.179 --> 00:39:49.769

When March, 20 lockdown is started it.

304

00:39:49.769 --> 00:39:57.119

That's in 623,000 now, since that salary increase to 58,500.

305

00:39:57.119 --> 00:40:03.269

So, accordingly all companies the license and, I mean.

306

00:40:03.269 --> 00:40:14.849

In multiple times hello, we are not listening and recording in the minute. Please carry on. We are all listening to you. Please carry on. We are all listening.

307

00:40:14.849 --> 00:40:23.010

Don't speak with that so your market is still the same.

308

00:40:23.010 --> 00:40:29.280

Which earlier to no, no much more change it, but in other companies.

309

00:40:29.280 --> 00:40:36.329

In multiple time, maybe 5 time or time or 6 time.

310

00:40:36.329 --> 00:40:44.760

So, it is a signal on the market that are working. This is not proper.

311

00:40:44.760 --> 00:40:48.360

Not accepted by the market, so think of it.

312

00:40:48.360 --> 00:40:53.579

I seen that in the test flow there is a negative side that.

313

00:40:53.579 --> 00:40:58.289

But this time it is negative, but the finance electricity, the quantity.

314

00:40:58.289 --> 00:41:01.769

The source that you have to consent to it.

315

00:41:01.769 --> 00:41:07.559

On the business, instead of the financing the activity. So this is my.
316

00:41:07.559 --> 00:41:20.159

To have a proper you having the CFO, you're having the whole time director you're having the managing director, you have the company security, and you having all the consultant.

317

00:41:20.159 --> 00:41:24.300

Even the solicitor.

318

00:41:24.300 --> 00:41:38.789

And, uh, other added account in the board, Janet accounting. So I can see in the board and we are paying.

319

00:41:38.789 --> 00:41:45.659

This is sitting piece everything, so we must have to get advice from them.

320

00:41:45.659 --> 00:41:51.329

You would like to keep the proper advice to the board to enhance the.

321

00:41:51.329 --> 00:41:55.860

yeah she had order select um company it works

322

00:41:55.860 --> 00:42:01.110

So, it is not a fear in my opinion, it is not fair.

323

00:42:01.110 --> 00:42:04.800

If you see this a.

324

00:42:04.800 --> 00:42:11.159

Remote is holding it shows that it is 65.63%.

325

00:42:11.159 --> 00:42:14.940

But not Indian or.

326

00:42:14.940 --> 00:42:19.380

So I want to know who ordinary is running this.

327

00:42:19.380 --> 00:42:22.440

Is it America is running only.

328

00:42:22.440 --> 00:42:25.920

And what is the Indian promoters? See.

329

00:42:25.920 --> 00:42:32.429

You are sorry, particularly in 2 lines. 1, India and 1 in.

330

00:42:32.429 --> 00:42:36.059

So who is the 1st thing you must have to.

331

00:42:36.059 --> 00:42:40.739

Support anything we happen, they will be traveling consent.

332

00:42:40.739 --> 00:42:44.610

Then, what will be the Indian situation.

333

00:42:44.610 --> 00:42:47.880

Then what we will be their investment.

334

00:42:47.880 --> 00:42:56.429

As you see, uh, we are, uh, giving, we are paying to the hardware.

335

00:42:56.429 --> 00:43:01.829

America, they are loyalty P, technical fees, etc for a long, long time.

336

00:43:01.829 --> 00:43:14.190

So, how many there is a contract to say, we'll keep the, uh, technology and all this management thing to our company.

337

00:43:14.190 --> 00:43:18.780

And how much time we will have to pay them in future and so.

338

00:43:18.780 --> 00:43:22.530

What what was the duration of the contract? I want to know.

339

00:43:22.530 --> 00:43:25.710

Because after a certain time.

340

00:43:25.710 --> 00:43:36.030

Every company really stop to paying loyalty otherwise they will have to provide new new technology and we will have to have to.

341

00:43:36.030 --> 00:43:42.750

Know, when we are paying the royalty and, uh, the pieces we will have to take the benefit of that. Otherwise.

342

00:43:42.750 --> 00:43:46.349

There is no sense to pay continuously pay to them.

343

00:43:46.349 --> 00:43:51.239

If you see that hotel.

344

00:43:51.239 --> 00:43:54.539

That was the biggest hotel industry in India.

345

00:43:55.769 --> 00:43:59.400

A hotel credit resort.

346

00:43:59.400 --> 00:44:07.409

And Mr. chairman of the promoter of the venture, what also the chairman of the hotel industry.

347

00:44:07.409 --> 00:44:11.699

What happened is totally lost.

348

00:44:11.699 --> 00:44:22.739

My fear also, if you see his property here, big, big, so, Italian type big, big building, sold out in Ventura.

349

00:44:22.739 --> 00:44:30.389

Just, uh, open it to be multiple hospital. You see big big buildings, royal buildings.

350

00:44:30.389 --> 00:44:39.869

So, they put it in building sold out now that will add to the other companies. So so so it is my request.

351

00:44:39.869 --> 00:44:46.230

Thinking for the enhancement of assets.

352

00:44:46.230 --> 00:44:53.369

To engagement of our business, I mean, this is.

353

00:44:53.369 --> 00:44:57.750

It must be enhanced.

354

00:44:57.750 --> 00:45:00.840

No loss to these rulers.

355

00:45:00.840 --> 00:45:09.090

Is there there, uh, this enrichment must be in multiple times, and they will be divided properly.

356

00:45:09.090 --> 00:45:13.500

When we will get the bonus, I don't know. Or.

357

00:45:13.500 --> 00:45:16.769

Since the public is com.

358

00:45:16.769 --> 00:45:20.429

Have have you given any bonus here? No.

359

00:45:20.429 --> 00:45:26.159

Market stock market, which expect that.

360

00:45:26.159 --> 00:45:30.059

What is by what in the company I invested this money.

361

00:45:30.059 --> 00:45:34.380

What will be my appreciation in the secondary market.

362

00:45:34.380 --> 00:45:38.670

What they wouldn't I will get, and only if I will hold long time.

363

00:45:38.670 --> 00:45:43.800

And what I will get a bonus here after how many years.

364

00:45:43.800 --> 00:45:46.949

So people will project.

365

00:45:46.949 --> 00:45:53.670
Investment if, uh, companies fail to keep the proper data.
366

00:45:53.670 --> 00:46:02.909
People will invest to the bank to have the security, uh, money and to get
the proper return.
367

00:46:02.909 --> 00:46:07.860
So this is my request to work to consider my request.
368

00:46:07.860 --> 00:46:10.980
That our company should be in what.
369

00:46:10.980 --> 00:46:16.949
Quarterly industry will be tough 1st, number because we are associated
with the 1st country.
370

00:46:16.949 --> 00:46:20.789
Hi, it Monica and America you the 1st country.
371

00:46:20.789 --> 00:46:23.820
So our hotel, you must be.
372

00:46:23.820 --> 00:46:26.969
Let me just tell me. Okay.
373

00:46:26.969 --> 00:46:31.349

374

again.
375

00:46:40.980 --> 00:46:44.280
Is, uh.
376

00:46:44.280 --> 00:46:55.050
Yep both will look up mind. Okay.
377

00:46:55.050 --> 00:46:59.550

emeritus because you are deleted that now? He's 91 years old.
380

00:47:22.199 --> 00:47:26.969
So don't make the cry to anything.
381

00:47:26.969 --> 00:47:35.190

Make him chairman emeritus and who may see or is that that should be appointed as a chairman.

Thank you Mr. for your words. Good words, just for your information that, uh, we have vaccinated, we have given the W, access to all of our employees.

449

00:54:39.840 --> 00:54:48.780

Right now, uh, which because he slipped, uh, uh, would you still there.

450

00:54:48.780 --> 00:55:02.250

When you have to unmute yourself.

451

00:55:02.250 --> 00:55:09.300

Why don't you have to unmute yourself?

452

00:55:18.690 --> 00:55:22.349

You are, you are muted my bundle.

453

00:55:25.679 --> 00:55:39.929

I've got a system in Miami.

454

00:55:59.219 --> 00:56:03.900

Can we unmute them? Is it possible to meet us and.

455

00:56:07.800 --> 00:56:12.119

Our technical guys can do it, or? No.

456

00:56:17.280 --> 00:56:22.650

Play the host, uh, I think it is a problem with the systems that.

457

00:56:22.650 --> 00:56:27.690

I would pick up a problem. I see.

458

00:56:28.739 --> 00:56:35.010

So, we have already, uh, unmuted him.

459

00:56:35.010 --> 00:56:41.610

So, maybe I think we have to move forward and then yeah.

460

00:56:41.610 --> 00:56:47.519

Thank you for your preference, but unfortunately we could not speak to.

We cannot we could not hear you.

So, thank you with this. Uh, thank you with this. All the, uh, speaker shareholders have delivered their speech and now moving forward.

462

00:56:54.840 --> 00:57:00.329

And I would, uh, request, uh, for 2.

463

00:57:00.625 --> 00:57:04.824

Reply to the numbers with regard to accounts and before that, uh, what about the replies?

464

00:57:04.824 --> 00:57:16.735

That I can, I can give that, uh, let me give you the replies regarding the vaccines I have already told, uh, that, uh, uh, all the employees have been, and their family members have been given by the hotels.

465

00:57:17.244 --> 00:57:21.025

And unfortunately, I'm happy to mention you that, uh, none of the.

466

00:57:21.329 --> 00:57:25.980

Uh, no casualties has taken place inside is limited.

467

00:57:25.980 --> 00:57:38.070

And, uh, regarding this, uh, uh, this, uh, uh, 1, shareholder part, I wanted to know what is the status of the, I think, uh, regarding the process, a considerable progress.

468

00:57:38.070 --> 00:57:46.440

Has been made before, uh, Chennai reaching in. They have already sanctioned. I hope the scheme has been sanctioned, but the order is.

469

00:57:46.440 --> 00:57:46.860

Soon,

470

00:57:46.855 --> 00:57:47.934

it will be made public,

471

00:57:49.045 --> 00:57:52.824

but regarding the regarding the our matter before the Kolkata hearing now,

472

00:57:52.824 --> 00:58:01.974

Kolkata bench has been given additional responsibilities is also hearing now the bench as well as,

473

00:58:01.974 --> 00:58:02.094

uh,

474

00:58:02.094 --> 00:58:02.574

this uh,

475

00:58:02.664 --> 00:58:02.905

uh,

476

00:58:03.264 --> 00:58:03.474

uh,

477

00:58:04.914 --> 00:58:06.324

and also so.

478

00:58:06.630 --> 00:58:15.690

They are not sitting regularly, so the matter, uh, before the Kolkata bench is not removing the way it is expected, it's, it's having a slower pace.

479

00:58:15.690 --> 00:58:19.710

I still be hopefully it will be soon. The next date is for October.

480

00:58:19.710 --> 00:58:23.579

For, uh, fixing up the final date for the sanction of the screen.

481

00:58:23.579 --> 00:58:31.440

So, regarding the initial project, uh, I think we have mentioned in the annual report also that the government of.

482

00:58:31.440 --> 00:58:35.369

To their land department, they have propose some new terms.

483

00:58:35.514 --> 00:58:50.304

We have already made them and during the call with, uh, pandemic time, our, our, our promoter managing directors, both of them, when they are to meet the highest officials of the government, and we are still negotiating with the sometimes and we hope that it will be resolved.

484

00:58:50.304 --> 00:58:50.875

Very soon.

485

00:58:51.179 --> 00:58:56.010

And regarding the Regency convinces center and, uh, uh, proposals.

486

00:58:56.010 --> 00:59:03.030

I think the shareholders are already added that to be there has been a change in management as far as the mail management discussion.

487

00:59:03.030 --> 00:59:16.135

So we are in regular touch with our, uh, this, uh, uh, uh, the new management team. Our bombard team is very much, effectively working on it. And we are working on the, uh, on the on the deal to close it and hope we will be.

488

00:59:16.164 --> 00:59:18.775

We'll be able to close it very soon.

489

00:59:19.795 --> 00:59:29.485

Regarding some wanted to know whether the, our companies have heard of any schemes during this pandemic time. Yes. Our subsidiary robust. What is private limited?

490

00:59:29.905 --> 00:59:35.215

We have heard of the scheme, uh, launched by RBI during this copy pandemic time.

491

00:59:35.489 --> 00:59:40.139

And it has really helped the company to get the additional benefit without giving.

492

00:59:40.139 --> 00:59:43.409

Anything extra, or at a good considerable rate.

493

00:59:43.409 --> 00:59:54.449

Regarding query whether the hierarchy holds any shares in the company for your information. Our companies are totally a domestic company. There is no foreign shareholding from.

494

00:59:54.449 --> 00:59:58.829

There are some analyze shareholder, but higher does not hold any shares in the company.

495

00:59:58.829 --> 01:00:03.929

The promoters old about 65 through the overseas, promote our bodies corporate it and.

496

01:00:03.929 --> 01:00:07.289

The local domestic promote us individually are holding.

497

01:00:07.289 --> 01:00:15.090

And in terms of contact, higher, generally holds, we have a 25 years contract with him.

498

01:00:15.090 --> 01:00:20.880

We are in to the 13 years from 2009, 2008.

499

01:00:20.880 --> 01:00:24.420

It's a 13 year running, so Anna that we have to pull.

500

01:00:24.420 --> 01:00:39.360

And, uh, regarding has raised to that the company has declared any bonus for your information. Yes. The board has already declared bonus shares for the shareholders, uh, to the scheme. Once the scheme is approved.

501

01:00:39.360 --> 01:00:43.230

By the, you will receive bonus shares of.

502

01:00:43.230 --> 01:00:48.119

And subsequent to that, um, you will also receive here so the robust.

503

01:00:48.119 --> 01:00:53.340

So the board, uh, the board has already made you, even if the bonus holdings.

504

01:00:53.340 --> 01:00:59.849

And with this, I would like to request a emerging in mala.

505

01:00:59.849 --> 01:01:04.289

Who, uh, the numbers regarding the occupancy? Yeah. Something like that.

506

01:01:04.289 --> 01:01:11.159

So, what do we start afternoon.

507

01:01:11.159 --> 01:01:16.650

The question raised by instruction to shut off regarding the occupancy.

508

01:01:16.650 --> 01:01:23.369

In the financial year 2021 the overall average occupancy was 29%.

509

01:01:23.369 --> 01:01:33.750

But currently, we are improving on the occupancy front also in the last 3 months starting from July. Our occupancy was 37%.

510

01:01:33.750 --> 01:01:37.199

Improve to 44 in August.

511

01:01:37.199 --> 01:01:43.019

And now in September, till today until yesterday, it was 46%.

512

01:01:43.019 --> 01:01:46.980

So, gradually we are picking up on the occupancy front also.

513

01:01:46.980 --> 01:01:50.909

And another question was regarding.

514

01:01:50.909 --> 01:01:54.239

The number of woman employees in the hotel.

515

01:01:54.239 --> 01:02:02.969

We do not discriminate between the genders when we recruit anybody in the hotel for any position.

516

01:02:02.969 --> 01:02:07.650

Gently more than 20% of our workforce.

517

01:02:07.650 --> 01:02:15.360

Constitutes women employees regarding the plastic Ben.

518

01:02:15.360 --> 01:02:21.389

We have taken a very big major of now supplying the water in the glass.

519

01:02:21.389 --> 01:02:27.269

Else instead of plastic bottles and we are very much.

520

01:02:27.269 --> 01:02:32.099

On other areas also where we can cut down the size of plastics.

521

01:02:35.550 --> 01:02:40.139

The other done well, Mr a ship.

522

01:02:40.139 --> 01:02:43.769

During this pandemic, we have done a good business of.

523

01:02:43.769 --> 01:02:47.849

Out of food package delivery and.

524

01:02:47.849 --> 01:02:51.750

Then, uh, good revenue during this time.

525

01:02:54.840 --> 01:03:00.329

We will also continue to provide liquidity support to our subsidiary companies.

526

01:03:00.329 --> 01:03:04.320

Edge for the approval of board of directors.

527

01:03:10.739 --> 01:03:17.130

The questions of market prices raised by Mr.

528

01:03:17.130 --> 01:03:21.360

See, this is their price share market price are not.

529

01:03:21.360 --> 01:03:25.139

Within the control of the company, it is governed by.

530

01:03:25.139 --> 01:03:29.010

Very long and very much.

531

01:03:29.010 --> 01:03:32.940

Outside market conditions, which impact the.

532

01:03:32.940 --> 01:03:36.389

see your prices of a company

533

01:03:40.800 --> 01:03:44.219

They have contracts they have contracts are generally.

534

01:03:44.219 --> 01:03:50.099

Side for 10 years and then extended edge mutually agreed upon.

535

01:03:55.829 --> 01:04:02.670

I think the rest of the questions were asked were answered by my friend solving strategy, which will the questions on finance.
